Interact Club

65 units of blood were collected during the annual Blood Donation camp organized by the **Interact Club** on December 17, 2016 in association with the Rotary Blood Bank. This year the members of the Club also undertook a new initiative by planning and conducting an educational trip to the Humayun's Tomb with students of Grade V on February 3, 2017 as part of a buddy training scheme wherein senior students researched and prepared as guides and teachers for the younger lot.

In another initiative, Grade XI students volunteered to run the school canteen for a week from January 23 to February 1, 2017. They focused on vital aspects of discipline, hygiene, costing and variety. The activity was a source of hands on learning for the students and their report and feedback proved equally valuable for the school in terms of improving the canteen facilities.

The Interact Club also organized the annual Inter NGO Sports meet on October 6, 2017 with an objective to provide sporting platform to athletes from NGOs. Sports personnel from five NGOs took part in the action packed event.

Student Exchange Program

Japan

Our school is associated with Kwansei Gakuin Junior High School, Japan for an educational and cultural exchange programme.

As part of the programme, this year a group of nine students visited Japan from September 27 to October 5, 2017. The very interesting and informative visit offered our students an opportunity to explore activities like Calligraphy and playing the Koto, a traditional Japanese musical instrument as also traditional Japanese cooking. The itinerary included visits to Asakhusa Buddhist temple, Mt. Fuji, Hiroshima Atomic Bomb Museum and Tokyo Disneyland. The group was also invited to the Indian Embassy for Gandhi Jayanti Celebrations and interacted with Mr. Sujan R. Chinoy, the ambassador of India to Japan.

Visit by Holton Arms School, Washington DC

Our school has been hosting students and faculty from Holton Arms School, Washington DC for the last nine years as a part of an educational and cultural enrichment program. This year, a group comprising 13 students and 2 teachers visited our school on August 4, 2017 while another group comprising 12 students and 2 teachers visited on August 11, 2017. As part of cultural and culinary appreciation the guests were engaged in day trips around Delhi and activities like tile painting and stone painting as well as games like pithu and basketball in school.

Indo German Classroom Project

Our school is also engaged in an immersion program with Ferdinand-Von-Miller Realschule, Furstenfeldbruck, Germany under the Indo German Classroom Project. The last three years have seen the project develop into a coveted platform of learning, ideating and understanding cultural diversity for the students of both the schools. This year the participants came together to explore 'The Cost of War'. The German delegation comprising 12 students and 2 teachers visited India from October 1 to 12, 2017. A Panel Discussion conducted by Gen. Arun Sahni from the Indian army, Col. Michael Martin Fricke from the German Army, Col. James C Allen from the American army and Ms. Liz Bateman, Medical representative from Australia was organized in the school to discuss the implication of war for the populace that is most affected by it – the armed forces and the general public as also the effects of diversion of resources like food, medicines etc. The delegation also visited Agra and Jaipur for an educational trip and enjoyed tours of the iconic landmarks of Delhi like the Qutb Minar, Bahai Temple, India Gate, Rashtrapati Bhawan, North and South blocks, Akshardham Temple, Jama Masjid, Chandni Chowk, National Museum and Mahatma Gandhi – Ek Pravasi Museum.

In continuation of the project, a group of 12 students and 2 teachers will visit Germany from November 27 to December 8, 2017.
