

Modern School Vasant Vihar

Annual Report

October 1, 2025 to September 30, 2026

Golden Jubilee Building

The Golden Jubilee Building (JK Cement Block) was inaugurated on March 19, 2026, by the Hon'ble Vice President of India, Shri C. P. Radhakrishnan, marking a significant addition to the school's infrastructure as it entered its Golden Jubilee year.

Designed in the school's distinctive red-brick architectural style, the building brings together the character of the institution's built heritage with contemporary, sustainable design. Energy-efficient systems and environmentally conscious features reflect a considered approach to the use of resources, and responsible development. The building thus complements the school's enduring architectural identity while responding to the needs of a contemporary learning environment.

The inauguration was marked by a ceremonial Guard of Honour by the NCC contingent, followed by Saraswati Vandana and Ganesh Vandana presented by the school's music and dance ensembles. The National Anthem, rendered in sign language, added a distinctive and inclusive dimension to the proceedings.

The building currently houses classes for Grades VI to VIII, providing spacious and thoughtfully designed learning spaces for students. Its addition to the school campus represents a meaningful link between the institution's heritage and its continuing journey towards the future.

Proud Moment

Ms. Vibha Khosla, Principal, was felicitated with the prestigious **State Teachers' Award** at *Shiksha Mahakumbh* on Teachers' Day 2026. The award is a testament to her commitment to educational excellence, and sustained contribution to the growth and development of the school. The recognition shines a light on her dynamic leadership and continued commitment to build upon the school's strong academic and co-curricular foundations while upholding its ethos and values.

Modern School, Vasant Vihar set the bar even higher for itself by winning distinguished honours during the year:

- The **Pan India Didactics Association Award** in the Holistic Education category. This recognition celebrates our unwavering commitment to nurturing well-rounded learners through innovative teaching practices, value-based learning, and a balanced focus on academics, co-curricular activities, and overall student wellbeing.

- **Solar Smart School Award 2025**, conferred by the Action Committee for Unaided Private Recognized Schools Association, acknowledging the school's dedicated efforts in integrating solar energy solutions and advancing sustainable practices.
- **Best in Sports Award** and the **People's Choice Award** at the *First in Class Conclave & Awards 2026*, in the esteemed presence of Shri Ashish Sood, Hon'ble Minister of Education, Government of NCT of Delhi. The awards recognise the school's commitment to sporting excellence and teamwork, and the strong regard and goodwill the school enjoys among its parent and student community.
- Second position for **Garden** at Principal's Residence and Best maintained Green Area of Senior Secondary School categories in the 68th Annual Flower Show 2026 organized by the University of Delhi in February.

CBSE Board Examination for Grades X and XII 2026

The results of the CBSE Grade X (Round 1) and Grade XII examinations were announced on April 15, 2026 and May 13, 2026, respectively. Students who sought a review of their performance availed themselves of the re-evaluation process, while those aspiring to improve their scores appeared for the Round 2 examinations. An overview of the results is as follows:

	Grade X	Grade XII	
		(Best of 4 subjects)	(Best of 5 subjects)
Enrolled	135	145	145
Appeared	134	145	145
Passed	134	144	144
Absent	01	00	00

School Average	81.5	81.7	78.1
First Division	92.5%	98.6%	96.6%

Samaaira Malhotra of Grade X and Aditi Azad of Grade XII emerged as the school's CBSE toppers, securing an outstanding 99.4% and 98.8%, respectively.

Higher Education

Modern School, Vasant Vihar continues to uphold a strong tradition of academic excellence, complemented by rich opportunities in sports, the arts, and co-curricular pursuits. The accomplishments of our students across diverse fields, along with the achievements of our alumni, reflect the breadth of the education and values imparted by the school.

Our dedicated faculty members play a central role in this journey, guiding and mentoring students with commitment and care. A well-rounded curriculum, supported by modern facilities and varied opportunities for learning, enables students to develop their abilities, pursue their interests, and approach new challenges with confidence.

As a school community, we remain committed to shaping thoughtful, capable and responsible young individuals. We take pride in creating an environment that values learning and character building, while preparing our students to contribute meaningfully to the world around them.

University Visits/Fairs

The academic year was marked by a rich range of opportunities on campus, with the school providing students with meaningful avenues for exploration and engagement. As part of this endeavour, universities from India and abroad engaged with our students through campus visits, interactions and fairs, offering insights into diverse academic programmes, admission pathways and emerging career opportunities.

The Senior Wing hosted a University Fair on December 13, 2025 and July 27, 2026, bringing together nearly 100 national and international universities representing a wide range of academic disciplines. Students and parents interacted directly with university representatives and gained first-hand information on courses, eligibility criteria, entrance examinations, admission procedures, scholarships and career prospects. To name a few, University of San Francisco, University of California, Santa Cruz, University at Buffalo, University of California, Riverside, Binghamton University, and the community colleges Foothill College and De Anza College visited our campus.

This was followed by a University Fair on August 21, 2026, which provided access to a diverse range of higher education institutions from India and overseas. Prominent Indian universities included Ashoka University, O.P. Jindal Global University, Manipal University, Plaksha University, MIT World

Peace University, Azim Premji University and SRM Chennai. International representation included New York University, Queen Mary University of London, the University of Edinburgh, the University of Bristol, the University of Birmingham, Monash University, Culinary Arts Academy Switzerland and University College Dublin, among others.

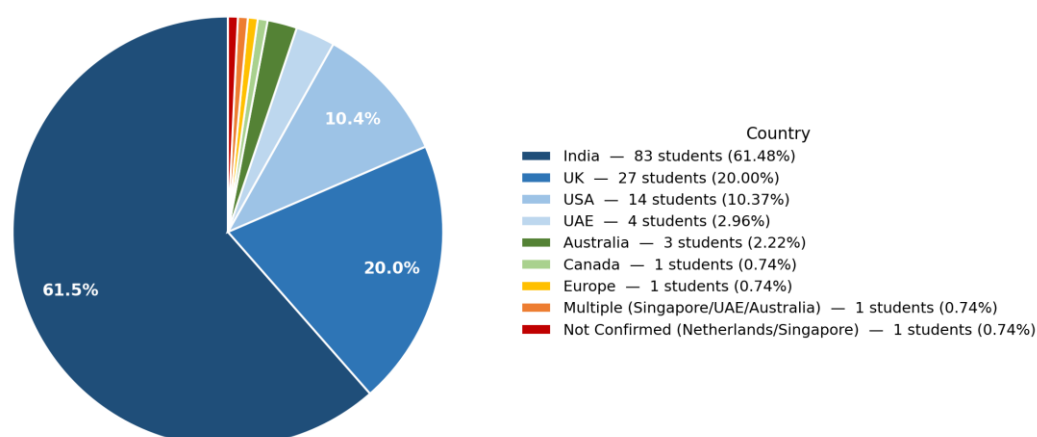

The fair brought together 67 Indian and international institutions and drew over 300 students and parents, creating a valuable platform for direct interaction and informed exploration of higher education pathways.

On August 25, 2026, the school hosted a university interaction session focused on undergraduate study opportunities in the United States. Representatives from Bryn Mawr College, Worcester Polytechnic Institute (WPI), Bentley University, and Bennington College engaged with students, sharing insights into their academic programmes, campus environments, institutional ethos and opportunities for international students. The interaction provided students with a broader understanding of higher education in the United States and informed their consideration of undergraduate study options.

Students Placement Overview 2025-2026

Country	Number of Students	Percentage
India	83	61.48%

Canada	1	0.74%
Europe	1	0.74%
Multiple (Singapore/UAE/Australia)	1	0.74%
Netherlands/Singapore	1	0.74%
TOTAL	135	

Students Placement Overview 2025-2026

Acceptances include:

United Kingdom:

Bayes Business School, City, University of London, Durham University, Heriot-Watt University, Edinburgh, Kingston University London, Northeastern University London, Queen Mary University of London, Regent's University London, University College London (UCL), University of Bath, University of Birmingham, University of Surrey, University of the Arts London (UAL), University of Warwick.

United States of America:

Boston University, Bryn Mawr College, Northeastern University, Northwestern University, Parsons School of Design, UC Berkeley, UMass Boston, University of Central Florida, University of Southern California (USC), Wesleyan University.

India:

Amity University, Noida, Amrita University, Coimbatore, Ashoka University, ATLAS SkillTech University - ISDI, BITS Pilani, College of Vocational Studies (CVS), DU, Delhi Technological University, DTU, Flame University, IILM, IILM Gurugram, IILM Lodhi Road, Indigo Cadet, Indraprastha University, ISDI, Manipal University, Masters Union, MDU, Rohtak, Moti Lal Nehru College, DU, NIFT, NMIMS Mumbai, NSUT, O.P. Jindal Global University, Pearl Academy, PGDAV College, DU, Plaksha University, Plaksha University / MAHE, Shiv Nadar University, Sri Aurobindo College, DU, Symbiosis, Thapar Institute of Engineering, University of Delhi, University of Southampton (Delhi Campus), VIPS, VIT AP.

UAE: American University in Dubai, BITS Pilani, Dubai, University of Birmingham, Dubai.

Australia: Macquarie University, Monash University, University of Melbourne.

Canada: University of Toronto

Europe: Glion Institute of Higher Education.

Multiple Offers (Singapore / UAE / Australia): SP Jain School of Global Management.

Netherlands / Singapore: NTU Singapore, TU Delft (Netherlands)

Academics

- Academic session 2026–27 commenced on April 1, 2026, for Kindergarten (Pre-Primary) to Grade XII and on April 6, 2026, for Nursery (Pre-School). The new session began with students being welcomed back to school and introduced to the academic year ahead.
- Orientation sessions were conducted to familiarise parents with the school's vision, academic framework and key policies. The sessions also apprised them of recent CBSE changes, including competency-based assessment, skill-oriented subjects and revised examination patterns aligned with the National Curriculum Framework 2023. Parents were briefed on matters relating to attendance, discipline, communication, and student safety, followed by interactive sessions to address their queries. The importance of a strong partnership between home and school was emphasised as an essential component of supporting students' academic progress and overall development.
- The school's academic programme comprised a well-planned schedule of assessments and examinations, including Formative Assessments for Grades I and II, Mid-Term Examinations, Periodic Tests, Annual Examinations and Pre-Board Examinations. For Grades IX to XII, regular classes were conducted from May 18 to 23, 2026, ensuring sustained academic engagement and systematic preparation for the Board examinations. Remedial classes were

also held after school hours to provide targeted academic support to students requiring additional assistance.

- CBSE's SAFAL (Structured Assessment for Analyzing Learning Levels) was offered to students of Grades VI and IX as a diagnostic assessment to gauge learning levels and provide inputs for strengthening classroom teaching and learning.

Olympiads

The school provided students with opportunities to test and extend their academic abilities through participation in Olympiads at the school, state, national and international levels. Students from Pre-Primary to Grade XII participated in a range of competitive examinations, gaining valuable exposure to higher-order thinking, application of concepts and academic competition.

The academic year witnessed strong participation across various Olympiad platforms, with 779 students registering for the SOF Olympiads and 1,402 for the SilverZone Olympiads. The LogIQids Olympiads recorded 100% participation among students from Pre-Primary to Grade IX. The examinations covered a broad spectrum of disciplines, including Mathematics, Science, English, Hindi, General Knowledge, Social Studies, Computer Science, Informatics, Commerce, Reasoning and Aptitude, STEM Innovation and Artificial Intelligence.

Participation in these Olympiads enabled students to extend their learning beyond the prescribed curriculum, engage with challenging academic tasks and gain a broader perspective on their academic capabilities.

The commendable achievements of our students in various prestigious Olympiads are presented below:-

Name of Olympiad	Achievement
SOF International English Olympiad (IEO)	Level 1: <u>Gold Medal of Distinction</u> Miraya Bansal, Gr IV Myrah Mhaskar, Gr IV Aura Aggarwal, Gr V Aarav Menon, Gr V Zara Daraius Shroff, Gr XI <u>Certificate of Zonal excellence</u> Ruhaan Khanna –Grade 3 Vaanya Sansanwal – Grade 3 Level 2 <u>Zonal Rank 1</u> Aura Aggarwal, Gr V <u>Zonal Rank 2</u> Zara Daraius Shroff, Gr XI <u>Zonal Rank 4: Certificate of Zonal Excellence)</u> Ruhaan Khanna, Gr IV
SOF International Mathematics Olympiad (IMO)	Level 1 <u>Gold Medal of Distinction</u> Shivaay Goel, Gr III Reyansh Singh, Gr III Ruhaan Khanna, Gr III

	Avyan Kila, Gr VI Sarthak Jain, Gr VII <u>Level 2</u> <u>Certificate of Zonal Excellence)</u> Raghav Dahiya, Gr III
SOF National Science Olympiad (NSO)	<u>Level 1</u> <u>International Rank 6: Gold Medal of Distinction</u> Reyansh Singh, Gr III
SOF International Hindi Olympiad (IHO)	<u>Level 1</u> <u>Gold medal of distinction</u> Ruhaan Khanna, Gr III Muskaan Sachdeva, Gr VI
SOF International Social Studies Olympiad (ISSO)	<u>Level 1</u> <u>Gold Medal of Distinction</u> Ruhaan Khanna, Gr III Varenia Raghuvanshi, Gr VII Aura Aggarwal, Gr V
SOF International Computer Science Olympiad (ICSO)	<u>Level 1</u> <u>Gold Medal of Distinction</u> Vedaansh Jain, Gr VIII
Silverzone International English Olympiad (IEO)	<u>Level 1</u> <u>International Rank 1: Gold Medal of Excellence & Olympiad Topper</u> Prayaan Garg, Gr II Aaria Goyal, Gr II Inaya Rathi, Gr II
Silverzone International Social Studies Olympiad (ISSO)	<u>Level 1</u> <u>Gold Medal - State Topper</u> Nivedita Kwatra, Gr III <u>Silver Medal – State Topper</u> Ruhaan Khanna, Gr III
Silverzone Artificial intelligence Olympiad (ISSO)	<u>Level 1</u> <u>Gold Medal - State Topper</u> Gourrik Juneja, Gr VI
LogiQids First Stage	<u>Level 1</u> <u>Zone Rank 1: Bronze Medal of Excellence</u> Rayirth Mukherjee, Pre Primary Yuveer Gupta, Pre Primary Yuvikka Aggawall, Pre Primary <u>Zone Rank 2: Bronze Medal of Excellence</u> Nikit Jain, Gr I
Silverzone Smart Kid GK Olympiad	<u>International Rank 1:</u> Naisa Kaur, Gr II

CBSE Appointments:

- The school continued to contribute to the CBSE's examination and evaluation processes this year as well. PGTs were appointed as External Examiners and Observers for the Grade XII

Practical Examinations, while TGTs were deputed as evaluators for Grade X answer scripts in various subjects at different schools.

- The evaluation of Grade XII answer scripts was conducted online through the CBSE portal. PGTs were deputed as per CBSE appointments to assist in the process.
- The school was also designated as a centre for the AISSE 2026 evaluation of English and Spanish, under the supervision of Ms. Vibha Khosla as the CNS. The evaluation was conducted from March 9 to March 16, 2026.
- The school was designated as a centre for the AISSE and AISSCE 2026 examinations, under the stewardship of Ms. Vibha Khosla, as Centre Superintendent and Ms. Sabina Pandit as Deputy Superintendent.

Modernite to Modernite Initiatives: MVA

Dinner hosted by MSVVAA

The Annual Dinner of the Modern School, Vasant Vihar Alumni Association (MVA) was held on December 20, 2025, bringing together alumni from different batches in a warm and congenial setting. The evening provided an opportunity for former students to reconnect with one another, revisit cherished memories and reaffirm their enduring association with the school.

Session on Dental Care

A Dental Care Awareness Session was organised for students of Grades I to XII in collaboration with Udana Wellness Centre. The session was led by renowned dental expert and alumna Dr. Tania Nijhawan, who sensitised students to the importance of oral hygiene, preventive dental care and healthy practices for maintaining good oral health.

Modernites Excellence Awards

Modern School, Vasant Vihar Alumni Association (MVA) hosted its inaugural ME Awards on February 28, 2026, honouring distinguished alumni for their notable contributions across fields including education, art, medicine and culinary sciences, among others. The ceremony was graced by Mr. Vijay Goel, Vice Chairman, Gandhi Smriti.

The awardees were selected through a rigorous nomination and review process, with entries evaluated by an eminent jury. The process recognised alumni whose accomplishments reflected the values of excellence, creativity and service associated with the institution.

The 2026 ME Award recipients are:

Name of Awardee	Batch	Presently serving as	Felicitated for
Ms. Mira Pradeep Singh	1982	President, Board of Trustees, Modern Schools	Philanthropy
Dr. Radhika Tandon	1981	Chief, R P Centre, Ophthalmology AIIMS	outstanding contribution in the field of Medicine and Healthcare
Justice Amit Bansal	1981	Judge, Delhi High Court	Distinguished Achievement in the field of Law
Ms. Tania Sachdev Arjuna Awardee	2004	Sportsperson	Praiseworthy achievement in Chess
Dr. Raghavpat Singhania	2002	MD, JK Cement	Visionary Business Tycoon
Mr. Ankush Nijhawan	1985	Joint MD, TBO Tek	Revolutionalising Travel Through Technology
Ms. Sonam Kalra	1990	Renowed Sufi Singer	Excellence in Performing Arts
Mr. Kapil Batra	1982	Media Personality	Distinguished Work in Media

YaRi: A River of Learning and Responsibility

A cherished initiative of the school, YaRi (Yamuna River Initiative) brings together learning, research and environmental stewardship, enabling students to engage meaningfully with the Yamuna and its enduring significance for the region. The initiative seeks to cultivate not only an understanding of the river's ecological and cultural heritage, but also a sense of responsibility towards its preservation and rejuvenation.

As part of this continuing endeavour, students from Grades I to XII undertook a research-based study of the Yamuna, tracing its journey from the Yamunotri Glacier in the Himalayas, through Uttarakhand, Himachal Pradesh, Haryana and Delhi, to its confluence with the Ganges at the Triveni Sangam in Prayagraj. Their learning culminated in the YaRi Exhibition held on October 16, 2025, which offered a remarkable glimpse into the depth, range and originality of their work.

Curated and presented by the students, the exhibition brought together display charts, working models, interviews with local communities, innovative games, nukkad natak, original songs, statistical analyses and technology-driven solutions for the rejuvenation of the river. Several projects explored the possibilities of Artificial Intelligence and automation in addressing the challenges of cleaning and restoring the Yamuna. The exhibition thus transformed research into experience, and experience into a call for responsible action. The occasion was graced by Dr. Srinivas Chokkakula, President and Chief Executive of the Centre for Policy Research, Ministry of Jal Shakti, as Chief Guest, and Ms. Ambika Pant, Hon. Secretary, Board of Trustees, Modern Schools, as the Guest of Honour.

The journey continued with the YaRi Exhibition on July 18, 2026, which provided an expansive platform for students to present their evolving research, innovative models and creative installations on the ecological significance, challenges and restoration of the Yamuna. Dr. Rajendra Singh, the renowned water conservationist popularly known as the 'Jalpurush', inaugurated the exhibition, which was attended by members of the Board of Trustees and Managing Committee, along with students, parents, educators and guests.

A significant highlight of the occasion was the release of the YaRi Souvenir, chronicling the initiative's journey over the preceding year, its key milestones and its vision for the future. The exhibition reflected the growing depth of student engagement with the Yamuna and reaffirmed the school's commitment to experiential learning, environmental stewardship and socially responsible citizenship.

This overarching environmental initiative was also carried to the 7th Nadi Utsav 2026 organized from September 24 to 26, 2026, by the Indira Gandhi National Centre for the Arts (IGNCA), an autonomous institution under the Ministry of Culture, Government of India. Our students spearheaded and curated the YaRI (Yamuna River Initiative) exhibition featuring projects designed for action-based environmental stewardship.

Through YaRi, the Yamuna has become more than a subject of study. It has become a living classroom through which our students learn to observe, question, research, create and, above all, care. The initiative stands as a testament to the school's belief that meaningful education extends beyond the classroom and finds its fullest expression when knowledge is translated into responsibility and action.

Achievements

Faculty

- The research paper of **Ms. Priya Garg**, Faculty, Department of Social Science, was published in Shiksha Samvaad Pedagogical Best Practices, an academic initiative of NPSC. Her work was recognized for its academic merit, innovation, and contribution to education. The publication was released during the 53rd Annual Conference of NPSC held in February 2026, celebrating excellence in school education.
- **Mr. Deepak Rai**, Faculty (Chess), Department of Physical Education, secured the fourth position among 1250 players in the Skill Craft International Rated Chess Tournament held at Thyagraj Stadium from March 27 to 29, 2026. He was awarded a trophy and cash prize.
- **Ms. Sabina Pandit**, Faculty, Department of English, visited Tagore International School, East of Kailash, New Delhi, as an adjudicator for the CBSE Zonal Debate Competition (Zone 25) on July 27, 2026.
- **Ms. Praveen Dogar**, Faculty, Department of Physical Education was appointed as a judge for Drill competition conducted during the Zonal Athletic and Para meet organized by the Directorate of Education on August 18, 2026.

Students

- **Amaira Arora** of Grade IX secured the First Prize in the 'Best Advertisement' category at *Deutsch Utsav*, held from October 5 to 8, 2025, at Mayo College, Ajmer. Her creative presentation of the Adidas brand was adjudged the best among entries from 13 leading schools across India and abroad.
- **Yohan Neel Sharma** of Grade IX had the opportunity to interview Nobel Peace Prize Laureate Mr. Kailash Satyarthi for his article, "*An Interview with Kailash Satyarthi: A Journey of Inspiration.*" The interaction offered him valuable insights into Mr. Satyarthi's work towards ending child labour and inspired him to undertake voluntary service at a Women and Children Welfare Home.
- **Aura Agarwal** of Grade V was acknowledged by the National Institution for Transforming India, NITI Aayog (Health & Family Welfare Division) for her research and paper submission on 'Dignified living for Seniors.'
- The Hindustani Language Academy, in collaboration with the Indira Gandhi National Centre for the Arts, Sanskrit Academy, and the Ministry of Culture felicitated Grade X students for securing

90% and above in Hindi and Sanskrit in the CBSE Board Examination 2024-25. The following students of our school were awarded during the ceremony held on December 2025:

Students Name	Subject	Marks Obtained	Honoured
Ishani Datta	Sanskrit	100	Bhasha Ratna
Ayesha Gupta	Sanskrit	100	
Vedant Malhotra	Sanskrit	99	
Rashi Bisht	Sanskrit	96	Bhasha Doot
Riya Goyal	Sanskrit	95	
Kinisha Kumar	Hindi	97	
Shashanka Sharma	Hindi	95	
Vanya Verma	Hindi	95	
Saanvi Gupta	Hindi	93	
Jaiveer Gandhi	Hindi	91	
Rabia Ahuja	Hindi	91	
Kavya Gupta	Hindi	90	
Daiwik Gaba	Hindi	90	

In addition to these students, faculty members, Ms. Naveeta Goel (Hindi) and Ms. Poonam Gogia (Sanskrit), were also honored in recognition of their invaluable contributions to language education.

- **Devika Raj Batra**, Head Girl 2026–27, received the CREST Gold Award for her project AMRIT: Portable PVC Water Purification for Delhi Slums. The project sought to develop a low-cost and efficient solution to improve access to safe drinking water in underserved communities. She was also conferred the prestigious National Humanitarian Excellence Award on August 15, 2026, in recognition of her contribution as an ‘Impact Innovator: Safe Water for All.’ Her work reflects a sustained commitment to addressing issues of social importance through innovation and responsible leadership. Devika’s achievement also reflects the growing engagement of students with the Yamuna Initiative (YaRI), as its principles increasingly find expression in student-led projects and initiatives beyond the classroom.
- **Ishan Jain**, of Grade XII authored a research paper titled ‘How are Quantum Principles used in GPS Systems and Atomic Clocks to achieve High Precision?’ The paper examines the application of quantum principles in GPS technology, atomic clocks and precision timekeeping, reflecting his interest in scientific research and innovation. It was published in the International Journal of Scientific Research in Engineering and Management (IJSREM).
- **Aanya Jain**, Grade XII, is the Founder of Project Junoon, a youth-led initiative promoting equality, accessibility and inclusion for people with disabilities through art, culture, music and education. As part of the initiative, she created and led the bilingual theatrical musical ‘Akbar and Birbal’ in collaboration with Tamanna Autism Centre, Tamanna School of Hope and Modern School, Vasant Vihar. Premiered on April 26, 2026, the production featured 50+ students, including 12 Deaf and Hard of Hearing performers, and incorporated Indian Sign Language (ISL). The initiative supported awareness and fundraising for disability inclusion while creating opportunities for meaningful collaboration among students with and without disabilities.
- **Ritvi Jain** of Grade XI addressed concerns relating to construction-site pollution and worker safety through her initiative SansaarSite. Her flagship project, Suraksha Soles, built in partnership with Lancer Shoes, converts discarded PVC waste from construction sites into durable, affordable safety footwear for labourers. During the pilot, 120 kg of PVC waste was

reused to produce 97 pairs of steel-toe gumboots, with used pairs also being refurbished as part of a closed-loop system. The footwear was also provided to the support staff of Modern School, Vasant Vihar. Ritvi was also awarded the Gold at the Hong Kong International Math Olympiad, in both the preliminary and final rounds.

- Middle School students, in collaboration with Fuel a Dream, undertook **crowdfunding** campaigns in April and May 2026 to support the educational, medical and welfare needs of underprivileged and orphaned children in Haryana and Uttar Pradesh. With generous contributions from parents and well-wishers, the campaigns raised over ₹15 lakh.

On July 28, Grade VII students visited Government Primary School, Sector-07, Faridabad, where school bags, yoga mats and footwear were distributed among beneficiary students. The initiative gave students an opportunity to witness the impact and outcome of their efforts and strengthened their understanding of empathy, service and social responsibility.

- **Veer Bhatia**, Grade IX successfully completed an intensive entrepreneurship programme at Mesa Business School, Bengaluru, where he co-founded a start-up with his team. The team secured third place for achieving one of the highest sales performances during the programme.
- A team of students, 'Twinovate,' comprising Sharvi Nandwani, Shaivi Nandwani and Myra Karwal of Grade X and Devika Raj Batra of Grade XII, represented the school at **Delhi AI Grind** on August 13, 2026. The team presented **Urja Vriksh**, an AI-driven sustainable structure inspired by trees to address urban air pollution and climate-related challenges. The concept integrated air filtration, renewable energy and technology-enabled monitoring, demonstrating the practical application of AI to creating cleaner and more resilient urban environments.

Other achievements

Date	Achiever's Name	Achievement
October 2025	Ritvi Jain, Gr X	Awarded a commendation under the Economics section at the prestigious John Locke Global Essay Prize Competition, jointly organised by the University of Oxford and Princeton University. The competition received 63,800 entries from students across the world.
February 2026	Ayaan Jain, Gr VIII	Secured First Position in FIRST Tech Challenge (Robotics) in the North Regional Zonal round
March 2026	Vanshika Rathi, Gr VI	Won First prize in the 11th Sanskriti Pratibha Utsav organized by Alaknanda Institute for Performing Arts
		Won First prize in the Kala Mahotsav 2026 in classical dance category organized by the Apni Sanskriti Foundation, Bharati Vidyapeeth.
April 2026	Amayveer Naroola, Grade VIII	Collected ₹84,000 through his NGO <i>SewaRoshni</i> based in Uttarakhand, and contributed the proceeds to TARA Homes for Homeless Children. The donation was used to provide essential school supplies to children.
	Rishika Rathi, Grade IX	Awarded a certificate of excellence for participation in Delhi Debate Bootcamp organized by the Delhi Debating League in collaboration with IIT Delhi.
May 2026	Riyaanshi Jain, Grade VII	Won the silver medal in the regional round in a debate competition organised by World Scholar's Cup and qualified for the Global Round
	Aarav Menon, Grade VIII	Participated in the Sri Aurobindo National History Essay Competition organized by the Foundation for Indian Historical and Cultural Research (FIHCR)
	Anahita Goyal, Grade IX	

July 2026	Aazarya Verma, Grade X	Completed a one-month Social Entrepreneur (Social Work) Internship with the Sai Sukh Hari Foundation and received a Certificate of Completion.
	Reyansh Singh, Grade	Awarded the title of Arena Candidate Master (ACM) in recognition of his achievement in chess.
August 2026	Myra Karwal, Grade X	Invited by BBC Radio to share her views on the heat and pollution caused by wildfires.

National Cadet Corps

Twelve girl cadets participated in the NCC Camp held from October 12 to 19, 2025, where they received training in rifle firing, map reading and navigation, basic first aid and CPR, and road safety awareness. Alongside the training sessions, the cadets participated enthusiastically in various competitions. Anna secured First Position in Solo Singing, while Dorothy won First Position in Poster Making. The camp provided the cadets with valuable exposure to new skills and experiences, while strengthening their confidence, discipline and sense of teamwork.

Nine boy cadets participated in the 2 Delhi ARTY BTY NCC Camp, held from December 20 to 29, 2025, at the NCC Unit, New Delhi. The camp provided opportunities for cultural exposure, physical training and collaborative activities. Cadets participated in competitions including basketball, football, group dance, skit, sit-ups, push-ups and NCC drills. Their enthusiastic participation and commendable performances reflected their dedication and discipline. The MSVV cadets secured First Position in Tug of War and Second Position in Volleyball and Poster Making. The camp offered a valuable platform for developing confidence, resilience, teamwork and leadership through training and competition.

Mr. Somender Tokas, Teacher In charge, NCC Boys, attended **Pre-Commission Course (PRCN)** at Gwalior from June 3 to August 2, 2026. The course provided comprehensive exposure to various aspects of NCC training, including drill, physical fitness, weapon training, map reading, leadership development, field craft and the organisation and functioning of the NCC. Mr. Tokas's successful completion of this intensive training programme is a significant professional achievement and will further strengthen the NCC programme at the school.

Inclusive Education

The M-POWER at Modern School Vasant Vihar is committed to creating an inclusive, supportive and enabling learning environment where every student is provided equitable opportunities to learn, participate and progress. The department focuses on the early identification and screening of students with diverse learning and developmental needs, followed by appropriate assessment, intervention and regular progress monitoring. Individualised Education Plans (IEPs) are developed, implemented and periodically reviewed to address students' academic, behavioural, social and functional needs.

The department provides remedial and specialised support while working closely with class teachers and subject teachers to promote differentiated teaching, classroom accommodations and appropriate curricular modifications. It also facilitates examination accommodations, including scribes and other permissible provisions, wherever required. Regular interaction with parents, counsellors ensures a collaborative and coordinated approach towards each student's development.

The department maintains systematic records and documentation to support continuity of

interventions and to monitor individual progress. Through continuous collaboration, sensitisation and monitoring, M-POWER strives to ensure that every child feels valued, respected, supported and empowered to realise their potential and participate meaningfully in the school community.

Collaborations/Initiatives

Hindu College

On February 17, 2026, Modern School, New Delhi, and Hindu College, University of Delhi, signed a landmark Memorandum of Understanding (MoU) to strengthen collaboration between school and higher education. The partnership seeks to promote creative, innovative and practice-oriented approaches to learning, while facilitating the exchange of ideas, resources and opportunities between the two institutions. Drawing upon their shared commitment to academic excellence and their distinguished legacies, the collaboration aims to create meaningful opportunities for interaction and learning, and to strengthen the academic continuum between school and university education.

NCERT

- **Mr. Subir Mitra**, Faculty, Department of Fine Arts, was appointed as an expert for the finalisation of the Standard Operating Procedures (SOPs) and Marking Schemes (MS) for Fine Arts for the academic session 2026–27.
- **Mr. Prithvi Raj Tiwari**, Faculty, Department of Science, participated in a review workshop on the Pedagogy of Science, organised to familiarise teachers with the new Science textbooks introduced by NCERT for the Middle Stage.
- **Ms. Aseema R. Gokhale**, Faculty, Department of Science, participated in a review workshop on the new Biology textbooks for Grades XI and XII. She was also appointed as an expert to review the draft Biology chapters in alignment with the recommendations of NEP 2020 and the National Curriculum Framework for School Education.

Central Board of Secondary Education (CBSE)

In alignment with the objectives of the National Education Policy 2020 and the Skill India Mission, the school hosted the CBSE Young India Culinary Championship 2026–27 for students of Grades VI to XII. The initiative provided students with opportunities to develop essential culinary and hospitality skills

while encouraging creativity, precision and teamwork. At the school level, the competition comprised two categories: Fireless Cooking for Grades VI–VIII and Fire Cooking for Grades IX–XII, enabling students to participate at an age-appropriate level.

At the regional level, Divij Kapoor and Divanshi Sethi of Grade XI participated in the Fire Cooking category, while Rabbani Aggarwal of Grade VII and Aine Puri of Grade VIII participated in Fireless Cooking.

The school also participated in the CBSE Science Exhibition themed ‘STEM for Viksit and Atmanirbhar Bharat’ in November 2025, providing students with an opportunity to present innovative, technology-driven solutions to real-world challenges.

Our students, Ruhveer Singh, Grade IX, and Ekam Singh Suri, Gr X showcased projects and models highlighting sustainable urban development, environmentally conscious infrastructure and smart solutions, and assistive innovation techniques to support the mobility and independence of elderly users.

The school also participated in the CBSE National Adolescent Summit 2025, held on December 5, 2025, on the theme ‘Empowering Adolescents: Voices, Choices, and Wellbeing.’ Sara Gupta, Aryan Batra, Jianna Batra and Krrysha Sachdeva of Grade XI, accompanied by the school counsellors, represented the school at the summit, which brought together schools from across the country to share initiatives relating to adolescent wellbeing and holistic development.

The students presented a stall showcasing programmes integrated into everyday school life, including gratitude practices, anger management strategies, peer support systems, anti-bullying initiatives and 5 Senses Therapy for mindfulness. Their participation provided an opportunity to share the school’s approach to promoting mental and emotional wellbeing and to engage with initiatives undertaken by schools from across the country.

Directorate of Education (DoE)

The school served as a training centre for a team of 12 trainees from the Directorate of Education, who undertook hands-on training in special education from December 17, 2025 to February 11, 2026, in different batches. The programme provided the trainees with practical exposure to the implementation of an inclusive education system within a school setting. The training covered key aspects of inclusive practice, including school protocols, challenges in implementation, weekly lesson planning, preparation of Individualised Education Plans (IEPs), and quarterly progress reporting. The initiative enabled the trainees to gain a practical understanding of the processes and practices that support the effective inclusion of students with diverse learning needs.

The school also hosted the Zonal-Level Drawing Competition for Zone 20, organised by the Directorate of Education, on July 6, 2026. More than 70 students from 22 schools across the zone participated in four categories: Junior Boys, Junior Girls, Senior Boys and Senior Girls. The event provided young artists with a platform to express their ideas and creativity through art, while encouraging healthy participation and interaction among students from schools across the zone.

DoE/CBSE mandates:

The school actively participated in initiatives undertaken under the directives of the Directorate of Education (DoE) and the Central Board of Secondary Education (CBSE), providing students with opportunities to engage with themes of national integration, environmental responsibility, civic awareness and India’s rich linguistic heritage.

- Ek Bharat Shreshtha Bharat: Students participated in activities such as poster making and slogan writing, promoting an appreciation of India's cultural diversity and the spirit of national integration.
- Swachhata Pakhwada: The school undertook a tree plantation drive as part of the campaign, reinforcing awareness of environmental responsibility and the importance of sustainable practices.
- Mass Singing of Vande Mataram: On November 7, 2025, students participated in the mass singing of Vande Mataram as part of the commemoration of 150 years of the iconic patriotic composition, reaffirming its enduring significance in India's cultural and national consciousness.
- Bharatiya Bhasha Utsav 2025: The school participated in Bharatiya Bhasha Utsav 2025, an initiative celebrating India's linguistic diversity and promoting multilingualism. The 2025 observance, held in the spirit of 'Many Languages, One Emotion,' encouraged appreciation of Indian languages and their contribution to the country's shared cultural heritage.

National Progressive Schools' Conference (NPSC)

The Under 14 NPSC Chess tournament for South zone schools was hosted and organized on December 8, 2025. The MSVV Under14 Girls team delivered an outstanding performance during the zonal rounds, securing the First Position with skill and determination. In the finals held on December 23, 2025, their resilience shone through as they fought back from challenging positions, often turning matches into thrilling battles that won admiration from coaches and spectators alike. Although the team did not secure a title in the finals, their unity, encouragement for one another, and unwavering spirit exemplified true sportsmanship, proving that success is measured not only by trophies but also by courage, perseverance, and teamwork.

A team of students and a mentor teacher attended a pilot initiative organized by NPSC in collaboration with UNICEF to train Student Nutrition Ambassadors for promoting healthy school food environments. This initiative sought to empower students to become advocates for healthier choices while supporting schools in creating a more nutrition-conscious environment.

Other Initiatives

- The school hosted the Delhi State Goalball Championship on July 11, 2026, in collaboration with the Para Sports Association of Delhi, affiliated with the Indian Blind Sports Association (IBSA), New Delhi. The championship featured accomplished Goalball players from across Delhi, providing visually impaired athletes with a competitive platform to demonstrate their skill and sporting excellence. The matches reflected a high level of determination and discipline, with the players displaying commendable perseverance and commitment throughout the championship. The event was inaugurated by the Principal, Ms. Vibha Khosla, who welcomed the participating athletes and highlighted the values of sportsmanship and teamwork. In her address, she emphasised the importance of creating equitable opportunities in sport and recognising the abilities and achievements of every athlete. The championship thus underscored the importance of greater inclusion in sports and meaningful opportunities for athletes with visual impairment to participate, compete, and excel.

- Students visited Thyagraj Stadium on August 7, 2026 for the **Para Élan** initiative, a collaborative programme of the **Paralympic Committee of India** and the **French Institute in India**. The **initiative** aimed to promote inclusivity and disability awareness by engaging young people through sports, education, and cultural exchange.
- The School hosted the 1st **Delhi State Wheelchair Pickleball Championship 2026** on September 27, 2026, bringing together wheelchair athletes from across the capital. The championship was graced by Mrs. Ambika Pant, Hon. Secretary, Board of Trustees, Modern School, Vasant Vihar, as the Chief Guest.

Bonds across continents

The Second Edition of the Latin America vs Africa Friendship Soccer Match was held at Modern School, Vasant Vihar on November 22, 2025, celebrating football as a symbol of unity, cultural harmony, and international friendship.

H.E. Alonso Correa Miguel, Ambassador of the Republic of Panama to India, and Mr. Adish C. Aggarwala, President of the International Council of Jurists and Chairman of the All India Bar Association, graced the occasion as distinguished guests. The programme commenced with the national anthems of India and Panama and culminated in a spirited soccer match, with the sporting contest providing an occasion for cultural exchange, mutual respect and friendship across borders.

School Events

Founder's Day

The Golden Jubilee Founders' Day, held on October 11, 2025, marked a historic milestone as the school commemorated fifty years of its journey in education and paid rich tributes to the vision, values and traditions that have shaped its identity. The Principal, Ms. Vibha Khosla, welcomed the Chief Guest, Hon'ble Justice Sanjiv Khanna, Former Chief Justice of India, and the Guests of Honour, Mr. Vivek Bharadwaj, Secretary, Ministry of Panchayati Raj, Government of India, and Ms. Archana Puran Singh, renowned actor. The momentous occasion was also graced by the presence of members of the Board of Trustees and Managing Committees, former Principals, Principals of sister branches and other distinguished guests.

The evening commenced with a Tree Plantation Ceremony, a gesture that reflected the school's abiding respect for nature and its commitment to environmental responsibility. This was followed by

‘Symphony of Harmony’, an orchestral presentation, and the Prize Distribution Ceremony, honouring students for their achievements in Academics, Sports and Co-curricular Activities.

The centrepiece of the celebration, ‘The Golden Cadence’, was a musical presentation that shone the spotlight on the school’s enduring philosophy of shaping well rounded students. The Golden Jubilee edition of Vasant Parag and a botanical book documenting the school’s green cover were released, both serving as enduring records of the school’s heritage and growth.

A specially curated laser show tracing the school’s journey across five decades and presenting a visual chronicle of its evolution and achievements brought the celebrations to a memorable close.

A musical evening: Cadence & Chords

As part of the continuing Golden Jubilee celebrations, an evening of music and dance, Cadence & Chords was organized in collaboration with the Alumni Association (MVA), on October 12, 2025. The event featured the renowned DJ Sartek, who enthralled the audience comprising students, alumni, parents, and staff with his vibrant performance.

MODEM: Computer Science Symposium

The Computer Science Symposium, MODEM, held on October 28, 2025, brought together twelve leading schools of Delhi NCR in an exploration of the possibilities shaping the digital future. Mr. Sachin Mehra, Technology Entrepreneur and Head, Inventum & Project Sake, was the Chief Guest.

Themed The Next Internet, the symposium invited students to look beyond the present and engage with emerging dimensions of technology. A stimulating array of events and presentations enabled them to demonstrate technical proficiency, creativity and an ability to think innovatively. From Quantum Computing and Geoengineering to RoboRumble and CodeQuest, the competitions reflected the breadth of contemporary technological possibilities and the students’ keen engagement with them.

Samaira Malhotra and Sanayan Arora of Grade XII secured the second position in RoboRumble.

Economite: Economics Symposium

The Interschool Economics Event, Economite, held on October 30, 2025, offered a stimulating platform for eleven schools across the NCR to engage with economics, enterprise and contemporary issues. The event featured Ad-dicted, Trade Master and Pitch Tank: The Emerging Entrepreneurs, each calling upon participants to draw upon research, analysis and creative thinking.

Mr. Ashneer Grover, Former Founder and Managing Director of BharatPe, was the Chief Guest. The competitions were adjudicated by representatives from the University of Delhi and partners from KPMG, who appreciated the depth of research, creativity and analytical skills reflected in the participants’ work.

Daksh Pruthi of Grade XII and Devika Raj Batra of Grade XI secured the first position in Pitch Tank.

Wonder Lab

Scientific curiosity and creative exploration took centre stage at Wonder Lab, the Inter-School Science and Technology Fest held on October 31, 2025 and August 19, 2026. In the year 2025, students from sixteen premier institutions across Delhi and the NCR participated in a range of intellectually stimulating events designed to encourage scientific enquiry and innovation, while the number of participating schools in 2026 was thirteen.

Biorhythm invited participants to present life processes through song, while Invent-O-Mania challenged them to apply scientific thinking to experiments centred on sustainability. Pixel Perfect and Scratch It Up showcased students’ proficiency in digital design, programming and coding, making

for a vibrant confluence of science, technology and creativity.

The results of the competition held on October 31, 2025 are as follows:

Sub Event	Names of Participants	Position secured by MSVV Students
Biorhythm	Mahirah Magu Pranisha Bedi Suhaana Rose Nagpal Samaira Kapoor	First
Invent – 0 – Mania	Raisha Malik Revant Jain	First
Pixel Perfect	Aahanah S Pasricha Amaya Kapoor	Second

The results of the competition held on August 19, 2026 are as follows:

Sub Event	Names of Participants	Position secured by MSVV Students
Invent – 0 – Mania	Nirvaan Mahna Vaanka Gaur	Third
Scratch – It – Up	Prayan Nathani Vihaan Nagpal	Third

Annual Day: Grades I and II

The Annual Day of Grades I and II, held on November 28, 2025, celebrated creativity and confidence of young learners through an engaging cultural presentation. The key presentation of the programme was Himalaya se Sangam Tak, a beautifully staged play that traced India's rich heritage and diverse landscapes. Ms. Sonia Relia, eminent educationist, was the Chief Guest and encouraged the young performers with her gracious presence.

Grandparents' Day

On December 4, 2025, the Pre-School celebrated Grandparents' Day, honouring the special bond between the young learners and their grandparents. The little ones expressed their affection and gratitude through dance, song and charming presentations, bringing warmth to the celebration. Their uninhibited participation and evident delight made the occasion a memorable expression of love and appreciation.

Annual Fete

The Annual Fete on December 14, 2025, brought the school community together for an afternoon of entertainment and shared enjoyment. The campus came alive with an array of activities, food and games stalls, creating a cheerful and festive atmosphere for students, parents and visitors alike.

The tiniest learners had their own moments in the spotlight. Nursery students delighted the audience with a fashion show, while KG and Grade I students explored their creativity at the painting corner. Adding to the excitement of the afternoon was the much-anticipated Raffle Draw, as the announcement of the lucky winners brought the celebrations to a close.

Farewell, Grade XII

The Farewell Ceremony for the outgoing Batch of 2026 was held on January 17, 2026, marking the close of an important chapter in the lives of the Grade XII students. The occasion was reflective yet

celebratory, honouring their years of growth and achievement while looking ahead to the journeys that awaited them.

The ceremony opened with the symbolic Walk of Honour, as the students carried lit candles, representing the light of knowledge and wisdom. Mr. Kartik Jaggi, Alumnus and Senior Manager at Apple Services Engineering, was the Chief Guest. Drawing upon his own experiences, Mr. Jaggi encouraged the graduating students to carry forward the values and legacy of excellence associated with Modern School, Vasant Vihar.

Expressing the sentiments of the graduating batch, the Head Boy and Head Girl conveyed their heartfelt gratitude to the school, the Principal, teachers, parents and peers whose support has shaped their journey.

Republic Day Celebration

The 77th Republic Day was celebrated on January 23, 2026, with a programme that reflected upon the values embodied in the Constitution and the ideals that continue to shape the nation.

The celebrations commenced with the unfurling of the National Flag by the Principal, Ms. Vibha Khosla, followed by the National Anthem. A musical presentation explored the symbolism of the National Flag while celebrating the cultural richness of India. In 'Voices of Freedom', students of Grade V stepped into the roles of freedom fighters, bringing to life their struggles and contributions with confidence and conviction.

The Quiz Quest Club engaged students in a Republic Day quiz, encouraging all to deepen their awareness of India's constitutional and national heritage. The programme concluded with a group dance that captured the themes of unity and patriotism.

Saraswati Puja

On January 23, 2026, the school invoked the blessings of Maa Saraswati, the goddess of knowledge and learning, for the well-being of the students and their success in the forthcoming examinations. The prayerful observance lent the occasion a quiet dignity, as the school community came together in an atmosphere of reverence and grace.

Annual Day – Pre School & Pre Primary

The Annual Day of Pre-School and Pre-Primary, held on February 21, 2026, was a delightful celebration of the imagination and expressive spirit of the youngest learners. Ms. Neel Jarial Sharma, Founder & Storyteller, The Magic of Books, was the Chief Guest, while Ms. Malvika Singh Shanker, Member of the Managing Committee, Modern School, Vasant Vihar, graced the occasion with her presence.

The musical Pinocchio: Wood to Wonder brought the timeless tale to life through expressive acting, lively dances and melodious songs. As the young performers traced Pinocchio's journey from wood to wonder, they explored the enduring values of honesty and courage. Their spontaneity and confidence lent the presentation a special charm and left parents and guests delighted.

Math Cafe

Math Cafe, held on March 2, 2026, turned mathematical exploration into an engaging and enjoyable experience. Interactive exhibits, puzzles and mathematics-based games invited students to look at familiar concepts in new ways, while patterns, challenges and problem-solving activities kept curiosity at the heart of the experience. The occasion offered students, teachers and mathematics enthusiasts an opportunity to discover the playful side of the subject.

Annual Day – Grade III

On March 18, 2026, the Annual Day of Grade III unfolded as a lively celebration of creativity and youthful curiosity. The theme, 3M's – Mythology, Machine and Mind, offered an intriguing canvas on which the young learners explored India's cultural heritage alongside ideas of innovation and intellect through an engaging sequence of performances. Ms. Mudit Mohini, Director of Delhi Press, was the Chief Guest and added distinction to the occasion with her encouraging words, urging the children to continue nurturing their curiosity and imagination.

Yoga Day Celebration

International Yoga Day was observed with a special 'Wellness through Yoga' session, bringing together students and staff with the special needs students of Sportability in a celebration of well-being and inclusion.

Under guided instruction, the participants practised a series of yoga asanas and breathing exercises, experiencing the calming and restorative dimensions of the practice. More than a celebration of physical well-being, the session offered an opportunity to experience yoga as a way of cultivating balance and inner harmony. The shared practice also underscored the values of empathy and mutual respect, affirming that the pursuit of well-being is enriched when it is shared with others.

Investiture Ceremony 2026–27

A new chapter of student leadership commenced with the Investiture Ceremony held on July 15, 2026, as the newly elected Student Council formally assumed office. The ceremony was graced by Chief Guest Mr. Ankush Nijhawan, distinguished alumnus and entrepreneur, whose inspiring address encouraged students to approach their responsibilities with confidence, purpose and a strong sense of commitment.

Principal Ms. Vibha Khosla called upon the student leaders to uphold the values of integrity and service, reminding them that true leadership lies in making a positive difference. In the presence of their proud parents, the student leaders took the oath of office and were ceremonially presented with badges and sashes, symbolising the trust placed in them and their commitment to serve the school with dedication and excellence.

Prize Distribution Ceremony

The Annual Prize Distribution Ceremony, held on July 18, 2026, celebrated the accomplishments of students across academics, sports, co-curricular pursuits, leadership and other areas of distinction. The occasion recognised not only achievement, but also the perseverance, dedication and sustained effort that lay behind it.

The ceremony was graced by the Honourable Justice Amit Bansal, Judge, Delhi High Court, as the Chief Guest. Addressing the gathering, Principal, Ms. Vibha Khosla congratulated the awardees and acknowledged the steadfast support of parents and teachers in their journey towards success. She emphasised that enduring achievement is grounded in values and perseverance.

Young Leaders Conclave

The Young Leaders Conclave (YLC), held on July 23 and 24, 2026, provided a stimulating forum for young minds to engage with questions of leadership, public life and the nation's future. The theme, BHARAT @ 2026 – Seva, Sushasan aur Samridhi, set the tone for two days of dialogue, reflection and experiential learning, with students from 15 partner schools taking part. Ms. Anju Gupta, alumna, facilitated the sessions and guided the proceedings.

The participating schools were The Air Force School, Subroto Park; Bluebells International School;

Mount Carmel School; Modern School, Barakhamba Road; St. Mark's School; The Indian School; Tagore International School, EoK; Chinmaya Vidyalaya; Lotus Valley International School; Vasant Valley School; Delhi Police Public School; Venkateshwara International School; Holy Child Auxilium School; Bal Bharati Public School; Sadhu Vaswani International School; Air Force Golden Jubilee Institute; and Modern School, Vasant Vihar.

The Conclave sought to deepen the leadership potential in young minds poised to take their place in the world and contribute meaningfully to India's unfolding future.

Insightful talks and hands-on sessions led by the following speakers enriched the proceedings, bringing diverse perspectives to the theme and encouraging students to reflect, question and participate meaningfully:

- Mr. Anshu Gupta, Founder Goonj
- Dr. Ruby Makhija – Compassion in Action: Serving Communities with Dignity
- Ms. Ambika Pant – Yamuna to Yuva: Citizen-led Sustainability
- Ms. Rita Panicker – Every Child Matters: Leadership through Inclusion and Dignity
- Mr Amod Kanth, IPS (Retd)
- Mr. Samrat Yadav, Founder & CEO, Gate Solutions
- Ms Yogita Swaroop, Principal Economic Adviser, Ministry of Commerce and Industry
- Ms. Anumita Roychowdhury, Executive Director, Research & Advocacy, Centre for Science and Environment (CSE)

Lingua Fest: Inter School Literary Fest

Language and literature took centre stage at Lingua Fest, the Inter-School Literary Competition held on July 30, 2026, as students from thirteen schools across Delhi NCR came together to test their command of language, creativity and expression.

In her address, Principal Ms. Vibha Khosla spoke of the enduring significance of language in shaping young minds and nurturing thought, expression and imagination.

The English literary events included *Spell Bee*, which tested precision and command over spelling, and *Mad Ad*, which invited students to combine creativity with wit and humour. The Hindi साहित्यिक आयोजन featured नुक्कड़ नाटक, through which participants explored storytelling and performance, and कविता वाचन, which brought their poetic sensibility and expressive abilities to the fore.

The competitions were adjudicated by Ms. Nandita Swarup and Ms. Kumkum Chandel, former faculty members of MSVV.

The results for MSVV students were as follows:

Sub Event	Participants	Grade	Result
SPELL BEE	Ivaan Chhabra	III	Second
	Arunoday Krishna	III	
MAD AD	Miraya Bansal	V	Participation
	Aviraaj Bajaj	IV	
	Suveer Malik	V	
	Samaira Kapoor	IV	
कविता वाचन	Noorvi Narang	III	Participation
	Sahib Singh		
	Maiyra Nayyar		
	Shivaay Malik		
नुक्कड़ नाटक	Mahir Arora	IV	First
	Shivangi Kumari	IV	
	Pranaisha Bedi	IV	
	Ayaansh Gupta	V	
	Rehat Bindra	V	
	Yug Rai Sachdeva	V	

Mod Quiz

The campus resonated with the energy of inquiry and intellectual curiosity during MOD Quiz 2026, hosted in collaboration with Cradle Solutions from July 30 to August 1, 2026. The three-day quiz brought together more than 2,500 students representing 89 schools from Delhi, Jaipur, Dehradun, Chandigarh, Amritsar and beyond, making it a significant gathering of young quizzing enthusiasts.

Welcoming the participants, Principal Ms. Vibha Khosla encouraged students to look beyond the confines of textbooks, remain curious and approach quizzing as a means of discovering and learning throughout life. The competition was conducted by renowned quizmaster and alumnus Mr. Arindam Bhattacharya.

The festival comprised four categories: Junior, Middle School, Senior India and Senior SPENT. The MSVV team performed commendably in a highly competitive atmosphere, advancing to the Senior India Quiz Finals. This performance reflected the depth of the school's quizzing tradition and the students' sustained engagement with learning beyond the classroom.

Inauguration of Shri Pradeep Virendra Singh Innovation Lab

A significant addition to the school's learning spaces was marked by the inauguration of the Shri Pradeep Virendra Singh Innovation Laboratory on August 7, 2026. The facility was inaugurated by Dr. Vivek Raghavan, Co-founder of Sarvam AI and alumnus, in the presence of members of the Board of Trustees and the Managing Committee, the Principal, staff and students.

The occasion reflected the school's continuing endeavour to provide students with opportunities to explore new ideas and engage meaningfully with emerging technologies like AI. Addressing the gathering, Dr. Raghavan encouraged students to approach artificial intelligence with curiosity and creativity, while recognising the importance of using such powerful tools with discernment and responsibility.

Independence Day Celebrations

The spirit of Independence Day was reflected in a solemn and stirring programme held on Wednesday, August 12, 2026, as the school commemorated India's 80th Independence Day. The ceremony opened with the hoisting of the National Flag, followed by the National Anthem. Lieutenant General Virendra Vats, YSM, SM, VSM, Director General, National Cadet Corps, graced the occasion as the Chief Guest.

The cultural presentation, Vande Mataram, paid homage to the nation through a thoughtfully woven sequence of music, dance and theatre. The students drew upon India's diverse cultural traditions to portray its richness and plurality, while the performances echoed the enduring ideals of unity and freedom. The presentation also honoured the courage and sacrifice of those whose struggle laid the foundation for the India we celebrate today.

M Extasy

Music filled the air at M Extasy, the inter-school music event held on August 24, 2026, as young musicians came together to share their talent and love for the performing arts. The competition featured Solo, Duet and Group Performance categories, bringing together varied forms of musical expression and giving each performer an opportunity to interpret and present music in their own distinctive way.

Eight schools participated in the event, making for an engaging exchange of musical talent and ideas. Beyond the competitive spirit, the occasion offered young performers the experience of presenting before an audience, listening to their peers and discovering the shared joy that music creates.

Teachers' Day

In a heartfelt celebration of gratitude and appreciation, the School organised a special Teachers' Day programme in collaboration with the PTA and MVA to acknowledge the invaluable contribution of its teachers. The occasion brought together both serving and former teachers, creating a wonderful opportunity to celebrate the enduring bonds that connect generations of educators.

The celebration was particularly special as superannuated members of the staff were warmly welcomed and felicitated. Students presented an engaging cultural programme comprising music, dance and skits as a heartfelt tribute to their teachers.

Participation in Inter School Events

In House Activities

Across the year, the school's in-house programme provided students from the Preschool to Grade XII with purposeful spaces to explore ideas, express themselves, and engage with issues that shape everyday life. The activities and special assemblies extended learning beyond the classroom, bringing together creativity, reflection, collaboration and practical awareness. The themes addressed ranged from personal conduct and healthy habits to environmental responsibility, digital awareness, leadership and citizenship, enabling students to connect classroom learning with the choices and responsibilities of everyday life.

Special assemblies explored themes such as Sharing & Caring, Cleanliness to Godliness, Garden of values, kindness, our national heroes, reducing inequalities (SDG 10), Climate action (SDG 13), Good health and wellbeing; magic words; honesty is the best policy, growth of technology, Waste to Wealth, Think Before You Click, Friend, Helper or Danger?, Bullying hurts everyone, Small citizens, big responsibilities, Time management, The five R's, Developing Resilience, Laughing is therapy, Skill Development, Empathy – the real superpower, Global Warming, Books are magic, Leadership and responsibility, National Symbols, My Country, My Pride.

Together, these assemblies created regular opportunities for students to pause, think and respond to matters of personal, social and civic significance.

Earth Day Celebration

Earth Day, observed on April 22, 2026, brought environmental consciousness into the everyday life of the school through a range of age-appropriate activities across grades. Students engaged with nature through seed sowing and nature walks, while posters, collages and an inter-house competition provided creative avenues to reflect on conservation and responsible use of natural resources.

Leadership Camp

Held on April 24 and 25, 2026, in collaboration with experts from *Cradle Solutions*, the Leadership Camp marked the first stage of the Student Council selection process. A varied set of activities, including group discussions, extempore speaking, quizzes, presentations and role plays, enabled students to demonstrate their ability to communicate, collaborate and respond with confidence. The

camp also offered an opportunity to observe qualities essential to student leadership, including initiative, responsibility and the ability to work constructively with others.

Summer Camp

The Summer Sports Camp, held from May 18 to 30, 2026, provided students with a structured engagement in sport and physical activity during the summer break. Training was offered across six disciplines, Athletics, Football, Badminton, Basketball, Cricket and Lawn Tennis, with participants receiving focused coaching to strengthen their skills and understanding of their chosen sport. Certificates of Participation were awarded to all participants in recognition of their effort and commitment.

Curiosity to Clarity

The Middle School Wing hosted the *Curiosity to Clarity* exhibition on August 1, 2026, creating an interactive space where students could explore concepts through questioning, reasoning and hands-on problem-solving. The exhibition moved beyond conventional displays to connect classroom learning with practical application. Moving beyond static displays, the event engaged parents and staff through dynamic learning stations featuring gamified challenges, visual decoder wheels, physical puzzle boards, and rapid-fire quizzes making the process of inquiry both stimulating and participatory.

Pi Approximation Day

Pi Approximation Day was observed by the Department of Mathematics on July 22, 2026, with students from Grades I to XII participating in activities designed to bring mathematical concepts closer to everyday experience. Through practical and engaging explorations, the celebration offered students an opportunity to encounter geometry beyond the confines of formulae and connect abstract mathematical ideas with hands-on learning.

House Events

The House System remains an integral part of school life, providing a framework through which students participate, collaborate and take responsibility beyond the classroom. Inter-House competitions across a range of activities give students opportunities to work as teams, assume leadership roles and engage in healthy competition, while also strengthening a sense of belonging and collective responsibility. The eight Houses: Amrita Shergill, Arjun, Bharat, C.V. Raman, Dhruv, Mother Teresa, Razia Sultan and Vivekanand, continue to bring together students across grades, enriching school life through meaningful participation, collaboration and healthy competition.

Date	Theme	Activity	Winner
April 22, 2026	Earth Day	Origami Competition (Grades III to V)	Vivekanand
		Pin Board Competition (Grades VI to X)	
July 22, 2026	Best out of Waste	3 Rs (Reduce, Reuse, Recycle) to build creativity, and promote environmental care by turning trash into useful art.	Arjun
August 5, 2026	My India, my pride	Rangoli making competition	Vivekanand
August 12, 2026	Independence Day	Pinboard Competition	Amrita Shergil

Trips & Excursions

An educational trip to Japan was organized from March 25 to April 1, 2026 for eleven students from Grades VIII to X, offering them a unique opportunity to combine academic learning with cultural exploration. The visit was carefully planned to expose students to both the rich traditions of Japan and its advancements in science and technology.

The trip broadened the students' global perspective, deepened their appreciation of Japanese culture, and enhanced their understanding of modern scientific innovations.

Domestic educational trips were also organised throughout the year to acquaint students with India's diverse cultural, historical and architectural heritage. These journeys extended learning beyond the classroom, enabling students to encounter places of historical significance and distinctive cultural traditions firsthand. Destinations included Jaipur, Bharatpur, Sariska, Ranthambore, Ahmedabad, Jim Corbett and Agra, among others.

Workshops/Interactive Sessions/Visits

For students

CBSE Budding Authors Program

The CBSE Budding Authors Programme was introduced for students of Grade V to encourage creative writing and storytelling and provide a structured space for young writers to develop their ideas. Through the programme, students explored the craft of storytelling while strengthening their language, critical thinking and self-expression. They wrote and submitted original short stories, drawing on their own imagination and perspectives, with the opportunity for their work to be published. The initiative offered students an authentic experience of writing for an audience and a meaningful introduction to the world of authorship.

Visit to the Parliament House

Students and teachers visited Parliament House on December 25, 2025, to commemorate the birth anniversaries of Pandit Madan Mohan Malviya and Shri Atal Bihari Vajpayee, two distinguished national leaders whose contributions to India's educational and public life remain significant.

As part of the programme, students reflected on the educational and political contributions of Pandit Madan Mohan Malviya and the leadership and literary legacy of Shri Atal Bihari Vajpayee. Saanvi Tewari of Grade VI eloquently shared her thoughts on their enduring contributions to the nation. The visit provided students with an opportunity to engage with an important aspect of India's democratic and national heritage and to reflect on the values of education, public service and leadership.

Date	Targeted Audience	Resource Person/ Organisation / Purpose	Workshop Details
Sep 29, 2025	Students of Grades XI & XII	NDMC	<i>Aces of AI</i> Aligned with the vision of 'Double AI - Artificial Intelligence and an Inspirational India,' the seminar offered students an engaging opportunity to explore the creative possibilities of artificial intelligence. Through AI-generated imagery, students brought to life their aspirations, visualising their dream colleges and

			future goals. The experience demonstrated how technology, when combined with imagination and purpose, can open new avenues for creative expression and encourage young minds to envision their futures with greater clarity.
Oct 3, 2025	Students of Grade IX	Educational Visit	<i>The Energy Research Institute (TERI)</i> The visit to The Energy Research Institute (TERI) provided students with first-hand exposure to scientific research and laboratory practices, particularly in the analysis of water. The experience deepened their understanding of environmental science and microbiology, while introducing them to sustainable approaches to research and demonstrating the practical application of concepts explored in the classroom.
Oct 4, 2025	Grades IX & XI	Inclusive Education	<i>Students Attend the World Para Athletics Championship 2025</i> Students had the opportunity to witness the World Para Athletics Championship 2025 at the Jawaharlal Nehru Stadium, New Delhi, gaining a closer understanding of para sports and the values of inclusivity and sportsmanship. They watched events including wheelchair racing, long jump and javelin throw, encouraging the athletes with enthusiasm and drawing inspiration from their determination and sporting spirit.
Nov 12, 2025	Grade XI students	Educational Visit	<i>Visit to Perfume Factory</i> The visit offered students an introduction to the world of fragrances, including different scent categories and the functioning of a B2B enterprise. They observed the processes involved in perfume-making, from extraction and processing to the use of specialised machinery and the role of marketing. A hands-on workshop added an engaging dimension to the experience, allowing students to create their own perfumes, soaps, candles and rub-ons.
Nov 17, 2025	German Students of Grade X	Max Mueller Bhavan,	<i>Workshop on Medieval Germany</i> The workshop offered students an insight into

			Medieval Europe, with a focus on Germany's cultural, religious and political evolution and the emergence of institutions that shaped the modern world. Through an interactive narrative and a series of puzzles, students explored medieval society, symbolism and the influence of Christianity, enriching their understanding of an important period in European history.
Dec 4, 2025	Selected students of Grade IX	Hindu College, University of Delhi	<i>Mathematics Workshop on 'Mathematics Comes Alive'</i> The workshop sought to deepen students' understanding of mathematical concepts by presenting formulas and theorems through models and hands-on activities. The experiential approach enabled students to engage with abstract ideas in a more tangible manner, bringing mathematical learning to life.
Apr 6, 2026	Students of Grades VIII to XI	Mr. Kundam and his associates, Cradle Solutions	<i>MUN Orientation</i> The session provided students with a foundational understanding of the United Nations (UN) and the Model United Nations (MUN) framework. Students were guided in developing effective public-speaking and diplomatic communication skills, employing research strategies to understand complex committee agendas, and applying the procedural nuances of MUN debates.
Apr 7, 2026	Economics students of Grade XI/XII	Mr. Ishan and Mr. Debasis, Faculty: IIT Delhi	<i>Seminar on Economics as a subject</i> The seminar introduced students to the scope of Economics as a subject and its relevance to understanding contemporary issues. Through an exploration of economic concepts and data, students gained insight into their application to real-world concerns, while developing a more analytical perspective on global development and societal challenges.
Apr 7 & 9, 2026	Students of Grades VII to XII	Mr. Ranganath Thota, CEO & Founder at Fueladream.com	<i>Session on Crowdfunding</i> The session introduced students to the evolving landscape of crowdfunding, with insights into technology, marketing, brand building and interpersonal skills in the workplace. It explored the role of social media, networking and transparency in successful campaigns, while offering students a glimpse into the challenges of turning innovative ideas into initiatives with social impact. Ongoing campaigns by young Modernites, presented in association with Fuel

			A Dream, provided relevant real-world context to the discussion.
Apr 8, 2026	Students of Grades VI to X	Mr. Lucky Puchhrat, Founder Mavericks India Solution	<i>Climate Action & Sustainability</i> The session provided students with an overview of the 17 Sustainable Development Goals and their significance in addressing global challenges. Through examples of initiatives in India and around the world, including those related to green energy and social welfare, students explored how local solutions can respond to universal concerns. An interactive question-and-answer session further encouraged them to consider practical ways of incorporating the principles of sustainability into everyday life.
Apr 8, 2026	Students of Grades XI and XII	Experts from Indian Institute of Gems & Jewellery (IIGJ)	<i>Jewellery making: Career Awareness Workshop</i> The workshop introduced students to career opportunities in jewellery design and the wider gems and jewellery industry. It also provided an insight into the skills, qualifications and professional pathways associated with this field, helping students gain a broader understanding of emerging career possibilities.
Apr 9, 2026	Students of Grades III to V	Mr. Neil Humphreys, Author from Scholastic	<i>Storytelling Session</i> The session encouraged students to engage with stories as a medium of imagination and creative expression. It also sought to strengthen attentive listening and stimulate curiosity through an engaging narrative experience.
Apr 18, 2026	Science Grades XI/XII	Mr. Soumik Sidhanta, Faculty, IIT Delhi	<i>Sci-Tech Spins Lecture Series</i> As part of the Sci-Tech Spins Lecture Series, students were introduced to the working of a Raman spectroscope and its application in the rapid detection of bacteria. The session offered an insight into how advances in scientific technology can facilitate faster and more efficient approaches to laboratory analysis.
Apr 20, 2026	Students of Grades VIII to XII	NDMA team	<i>Disaster Management Mock Drill</i> The drill provided students with practical insights into preparedness and emergency response. Through live demonstrations simulating earthquake-related situations, the team familiarised students with potential hazards, essential safety measures and emergency protocols, underscoring the importance of remaining alert and responding swiftly during emergencies.
Apr 20, 2026	Students of Grades III to	Mr. Arindham Bhattacharya, Alumnus	<i>QUIZ Orientation</i>

	XII	& Founder Partner Cradle Solutions	The orientation familiarised students with the format and rules of the competition and prepared them for the challenges ahead. A mock quiz round provided an opportunity to apply their understanding in a lively setting, with students participating enthusiastically and collaborating as they responded to the questions.
Apr 23, 2026	Students of Grades XI & XII	Mr. Rajesh Mishra, Founder Director(Testknock Technologies Pvt Ltd)	<i>CUET Orientation</i> The CUET orientation introduced students to the Common University Entrance Test and its role in the undergraduate admission process in India. The session covered the universities and subjects for which CUET is applicable, along with the structure and composition of the examination paper, enabling students to gain a clearer understanding of the admission pathway.
Apr 28, 2026	Students of Grades III to V	Mr. Kanav Agnohotri, Author	<i>Story telling Session</i> The session explored the art of visual storytelling through graphic novels, offering students an engaging experience that stimulated imagination and creativity. Interactive discussions and activities encouraged curiosity and attentive engagement with the process of shaping narratives through images and words.
Apr 29, 2026	Students of Grades VI to XII	Sarthak Sardana, aka DJ Sartek Alumnus (Batch of 2006)	<i>Workshop on Disc Jockey (DJ)</i> The workshop offered an insight into the creative and technical dimensions of disc jockeying and music mixing. Live demonstrations and experiences shared by the globally renowned artist gave students an understanding of the craft while opening up an unconventional career avenue within the world of music..
May 7, 2026	Interested students of Grade XI/XII	Faculty, Pearl Academy	<i>Visit to the Pearl Academy</i> The visit offered students an insight into the creative possibilities of fabric design, with demonstrations of techniques such as Shibori, the traditional Japanese method of dyeing, along with explorations of texture and surface treatment. The experience enabled students to appreciate the interplay of technique, material and design in textile creation.
May 14, 2026	Students of Grade XI	Team from the Okhla Sewage Treatment Plant	<i>Visit to Water Treatment Plant</i> The visit provided practical exposure to various stages of sewage treatment, including preliminary screening, sedimentation,

			biological treatment, and final purification, highlighting the importance of treating wastewater before its discharge into natural water bodies. This visit was a meaningful step in taking the YaRi initiative forward, reinforcing its mission of waste management and water conservation.
May 18 to 22, 2026	Selected Students of Grades XI & XII	Income Tax Office	<i>Internship at the Income Tax Office (Exemptions)</i> The program offered students a practical perspective on India's direct tax system, financial management and the functioning of a public institution. During the programme, students interacted with senior officers, including Shri Prakash Dubey, Commissioner of Income Tax, Exemptions, who shared insights into transparency, accountability and the role of taxation in a democracy. Sessions conducted by departmental officers explored tax penalties, assessments, raids, surveys and financial ethics, while practical exercises involving case analysis and the identification of loopholes further developed students' analytical skills.
May 25 to June 12, 2026	Members of Interact Club	National Association for the Blind	<i>Internship at the National Association for the Blind</i> The internship provided students with a meaningful opportunity to contribute to work related to accessibility and inclusion. Their primary responsibility involved proofreading and editing scanned books for conversion into Braille and audio formats, requiring accuracy, patience and close attention to detail. Visits to the 'Dark Room' and the 'Beyond Our Eyes' exhibition offered further insight into the experiences and challenges of persons with visual impairment, while strengthening students' sense of responsibility, teamwork and empathy.
Jul 4 to 8, 2026	Members of MUN Club	Club Members	<i>MUN Training Workshop</i> The workshop equipped new members with a grounding in the fundamentals of Model United Nations, covering committee procedures, documentation and public speaking. The learning culminated in a Mock MUN, where participants put their understanding into practice through simulated committee proceedings, developing their debating, negotiation and diplomatic skills.
Jul 10, 2026	Students of	Mr. Shashank Pandey,	<i>Session on "India: Mother of Democracy"</i>

	Grade XI/XII	Pradhanmantri Sangrahalay	The session held at the Pradhanmantri Sangrahalay explored the functioning of democracy and the various avenues through which citizens participate in governance. It also traced the making of the Indian Constitution and examined the significance of this living document in shaping the institutions and processes that govern public life.
Jul 20 & 21, 2026	Interested students of Grades VIII to XII	Nitiksha Dawar and Priyom Talukdar Purshottam Public Trust	<i>Printmaking Workshop Report</i> Demonstrations followed by hands-on practice enabled students to explore the fundamentals of printmaking and experiment with creating their own distinctive prints. The experience encouraged precision and creativity while giving students an appreciation of the techniques and enduring artistic value of this traditional art form.
Jul 29, 2026	Students of Modern School, Vasant Vihar and Modern School, Barakhamba Road	Professor Dr. Abhay Jain and Dr. Shikha Gupta from Shri Ram College of Commerce (SRCC)	<i>Economics Workshop</i> Through thoughtful discussions and interactive activities, the resource persons explored key economic concepts with students and demonstrated their practical applications. The sessions extended student understanding of Economics beyond the classroom, connecting theoretical learning with situations from everyday life and the wider economy.
Aug 4, 2026	Grades IX to XII students	Ms. Aprajita Verma, Chief Operating Officer of ORGAN India	<i>Session on Organ Donation</i> The session shed light on the process and significance of organ donation, while emphasising the need for greater public awareness. It encouraged students to appreciate the values of compassion, generosity and social responsibility and to recognise the role young citizens can play in spreading informed awareness about the cause.
Aug 5, 2026	Grades IX to XII students	Ms. Puja Rasne & Ms. Aastha Rasne Flymore Aviation	<i>Session on Aviation as a career</i> The session presented students with a broad view of career opportunities across the aviation sector, complemented by practical insights and an introduction to the Flymore Aviation App. The interaction encouraged them to look beyond conventional career choices and consider the range of roles and pathways within the industry.
Aug 18, 2026	Selected students of Grades IX to XII	Institute of Hotel Management	<i>Educational Visit</i> <i>The visit</i> provided students with first-hand exposure to the hospitality industry, its diverse career opportunities, and the skills and professional practices required to pursue them.

			First-hand exposure to the sector enabled students to connect their understanding of workplace practices with potential career pathways.
Aug 20, 2026	Selected students of Grades X & XII	Hindu College	<i>World Mosquito Day</i> Students participated in the launch of a model initiative for a mosquito-free campus, organised in collaboration with the MCD. The occasion also featured a quiz competition in which Saanvi Gupta and Yashna Chopra secured second position while competing against college students
Aug 22, 2026	Selected students of Grade X	Prof. Aarat Kalra, IIT Delhi	<i>Sci-Tech Spin Lecture</i> The lecture broadened students' perspectives on the possibilities within STEM, encouraging them to look beyond disciplinary boundaries and engage with science and technology as fields of innovation and problem-solving. The session emphasised the importance of developing home-grown technological solutions and inspired students to think ambitiously about their role in shaping advances in science and technology.
Aug 25, 2026	Vaishnavi Sharma, Julient Gladys and Haniel Nebuye of Grade XII	St. Columbus School	<i>Edmund Rice Justice Meet</i> The Meet saw participation from students of 27 schools, centred on a shared exploration of health and well-being. Through discussions and activities, students reflected on the interdependence of physical, emotional and mental well-being and considered the importance of empathy, inclusion and mutual support in building healthy school communities.
September 22, 2026	Grades XI & XII Science Stream students	Modern School, Barakhamba Road	<i>Session with Padamshri Dr H.C. Verma</i> The Session explained application of Physics by connecting real-life stories with scientific principles. Learners were encouraged to look at traditional narratives from a scientific perspective to understand how Physics is applicable to everyday life.
September 24, 2026	Selected student sof Grades IX & X	Faculty, Indian Agriculture Research Institute	<i>Educational Visit</i> The visit aimed to introduce students to emerging career pathways in agriculture, research, and the role of scientists in ensuring food and nutritional security. Students also explored the Protected Cultivation Centre, where they saw various crops; Integrated Farming System, and crop demonstration sites.
Sep 28, 2026	Grades IX & X	Faculty, Department of	<i>Outreach Program</i>

		Zoology, Hindu College	The Program was designed to provide practical exposure to key concepts of Biology and laboratory techniques. Students had the opportunity to understand how biological concepts are studied and applied in an actual laboratory setting. A number of practical activities were conducted to explain procedures behind scientific principles.
--	--	------------------------	--

For Parents

Recognising the evolving needs and challenges of adolescence, a series of informative and interactive workshops was organised for parents. The sessions provided practical strategies and insights to strengthen communication, respond sensitively to the emotional and behavioural needs of adolescents, and build supportive relationships between parents and children, both at home and within the school community.

Date	Targeted audience	Resource Person	Workshop on
Oct 6, 2025	Parents and students of Grades X to XII	Mr. Sudhir Kumar Arya, CEO: Council for Global Education	<i>Future without Borders: Abroad Admissions</i> A session on <i>Future without Borders: Abroad Admissions</i> provided students with an overview of application timelines, essential documentation and country-specific requirements. It also covered course selection, scholarship opportunities and post-study work provisions, enabling students to approach the process of planning higher education abroad with greater clarity.
Nov 27, 2025	Parents and students of Grade X	Ms. Vibha Khosla Principal	<i>Orientation session on Grade X CBSE Two Board Examinations</i> The session for parents on the revised Grade X CBSE examination structure provided an overview of syllabus distribution, examination patterns, evaluation criteria, academic expectations and timelines. The session familiarised parents with the key changes and helped them understand the academic framework for the year.
Dec 23, 2025	Parents of Grades VI to X	Dr. Sunil Mittal & Ms. Arundhati, Child Psychiatrist	<i>Safe Space Initiative</i> The initiative focused on the emotional and developmental needs of adolescents, with emphasis on mental health, open communication and a supportive parent-child relationship. The session encouraged parents to create an environment where adolescents could

			express their concerns and perspectives with openness and trust.

Continuous Professional Development for Staff

In an ever-evolving educational landscape, continuous professional development remains integral to equipping teachers with the knowledge, skills and perspectives needed to respond effectively to the diverse needs of contemporary learners.

A range of professional development opportunities was provided to the faculty, supporting continuous learning, reflective practice and the enrichment of classroom pedagogy.

Name: **Art Integration**
Date: November 22, 2025
Attended by: Senior School Staff
Conducted by: Centre for Excellence, CBSE
Aim/Objective: The session equipped educators with approaches to incorporate art into classroom learning through meaningful, activity-based experiences. It focused on encouraging creativity, critical thinking and joyful learning while supporting the holistic development of students in alignment with NEP 2020.

Name: **FLEEA Pédagogie (French Teacher's training)**
Date: November 22, 2025
Attended by: Ms. Sakshi Maggo, French Faculty
Conducted by: Unisec Publications
Aim/Objective: The training explored the use of Artificial Intelligence to enrich the teaching and learning of French through creative approaches, interactive activities and student-centred strategies. Participants were introduced to practical AI-supported techniques and engaging games that could be adapted even to classrooms with limited technological resources.

Name: **National Summit on Safe Schools Leadership**
Date: December 10, 2025
Attended by: Ms. S Suryavanshi and Ms. Rachna, Supervisors, Senior & Secondary School
Conducted by: PHD Chambers of Commerce and Industry
Aim/Objective: The summit examined the need for comprehensive school safety frameworks encompassing physical, emotional and digital well-being. Emphasis was placed on integrating safety education into the curriculum and strengthening practices that contribute to a secure and supportive learning environment.

Name: **7th Evoking Excellence 2025**
Date: January 10, 2026
Attended by: Ms. Geeta Rawat, Headmistress, Junior Section & Ms. Anu Mathur, Coordinator
Conducted by: National Progressive Schools' Conference
Aim/Objective: The programme explored the relevance of the timeless teachings of the Bhagavad Gita in contemporary contexts, with particular focus on education, relationships and leadership. It offered perspectives on translating these teachings into meaningful practices for personal and professional life.

Name: **Capacity Building Program: Activity Based Learning**
Date: January 17, 2026 & February 7, 2026

Attended by: Teachers teaching Pre School to Grade II
 Resource Person: Ms. Sonia Relia, Education Consultant
 Aim/Objective: The workshop introduced teachers to a range of activity-based approaches, including role plays, group discussions, simulations and project-based assignments, designed to promote critical thinking and creativity. By engaging with these methodologies firsthand, educators gained practical insights into creating more interactive, meaningful and effective learning experiences.

Name: **Annual Conference: Vidya for Life: Schools as Hubs of Skills, Values, & Innovation**

Date: February 5 & 6, 2026

Attended by: Ms. Geeta Rawat, Headmistress, Junior School Ms. Anu Mathur, Coordinator, Ms. Henna Kampani, PGT English & Ms. Anvita Mishra, Primary Teacher

Conducted By: National Progressive Schools' Conference

Aim/Objective: The conference provided a platform for educators, education leaders and practitioners to examine the changing landscape of 21st-century skills. Sessions explored emerging trends, global shifts and evolving perspectives on the purpose and practice of education.

Name: **Academic Support & Implementation session for Gems Grammar Book**

Date: April 13, 2026

Attended by: Ms. Geetanjali Devasar, Ms. Neha Bisht, Ms. Ruchi Chawla, Ms. Deepika Tomar, Faculty Junior Section

Resource Person: Mr. Sadiq, Gems Publication

Mode: Online

Aim/Objective: The session focused on strengthening teachers' digital teaching skills through the use of interactive tools and exploring effective ways to integrate technology into grammar instruction.

Name: **Accessibility of Ratna Sagar Academic Support Material**

Date: April 14, 2026

Attended by: Ms. Geetanjali Devasar, Faculty Junior Section

Resource Person: Ms. Monisha Gupta, Ratna Sagar

Mode: Online

Aim/Objective: The initiative aimed to familiarise teachers with relevant study and academic support material, equipping them with structured content, effective teaching aids, and supplementary resources to facilitate more purposeful classroom instruction and enrich student learning.

Name: **Study Melbourne Educators' Meet**

Date: April 16, 2026

Attended by: Ms. Saanchi Khanna & Ms. Aayushi Tanwar, Counsellors

Resource Person: Prof. Miriam Tanti from La Trobe University, Australia

Venue: Eros Hotel, Delhi

Aim/Objective: The workshop provided educators and counsellors with insights into the evolving role of Artificial Intelligence (AI) in education, its practical applications, and its implications for teaching-learning processes and student development.

Name: **Life Skills (Advance)**

Date: April 18, 2026

Attended by: All Teaching Staff
Resource Person: Ms. Aditi Roy, Principal, Mount Columbus School & Ms. Vibha Khosla, Principal MSVV
Venue: Modern School, Vasant Vihar
Aim/Objective: The programme strengthened teachers' understanding of advanced life skills and their integration into classroom practices, with emphasis on cognitive, emotional and social competencies.

Name: **Webinar on the new Computational thinking and AI Curriculum (Gr 3 to 8)**
Date: April 28, 2026
Attended by: Teachers teaching Grades III to VIII
Organized by: Central Board of Secondary Education
Resource Person: Mr. Karthik Raman & Mr. Mikin Lala, Members, CBSE CT & AI Committee
Mode: Online
Aim/Objective: The webinar familiarised teachers with the new Computational Thinking and AI curriculum, its alignment with national frameworks, and practical strategies for meaningful classroom implementation.

Name: **Student Exchange Program to South Korea**
Date: April 29, 2026
Attended by: Ms. Anu Mathur, Coordinator
Organized by: Korea Tourism Organization
Venue: Hyatt Regency, Delhi
Aim/Objective: The session offered insights into South Korea's advances in education and technology, along with the possibilities offered by cultural immersion and structured international exchange programmes. It highlighted the value of experiential learning in broadening students' global perspectives, confidence and preparedness for the future.

Name: **Session on Project SUNO**
Date: May 8, 2026
Attended by: Ms. Vibha Khosla, Principal; Ms. Geeta Rawat, HM Junior Section; Ms. Anu Mathur & Ms. Ruchika Chaudhary, Coordinators; Ms. Anvita Mishra & Ms. Deepika Tomar, Faculty Junior Section; Ms. Saanchi Khanna & Ms. Jeemol, Counsellors, Ms. Priya Garg & Ms. Nandini Jha, Faculty, Senior Section
Resource Person: Dr. Anviti Singh, Technical Advisor, MIE
Venue: Modern School, Vasant Vihar
Aim/Objective: The session enhanced teachers' understanding of mental health, sexuality education, gender sensitivity, digital safety and adolescent well-being. It encouraged informed and empathetic engagement with student concerns and provided practical strategies for creating safe, inclusive and supportive learning environments.

Name: **Leading Schools That Grow People, Not Just Results**
Date: May 12, 2026
Attended by: Ms. Chitwan Bhayana, PGT Home Science
Organized by: Catalyzer, Franklin Covey Education
Venue: Ramjas International School, R K Puram
Aim/Objective: The programme explored leadership practices centred on personal responsibility, proactive thinking and constructive responses, encouraging a shift from reactive approaches towards a more positive and growth-oriented school culture.

Name: **Workshop on POCSO Act**

Date: July 4, 2026
Attended by: All Teaching & Admin Staff
Resource Person: Ms. Manika, Additonal District and Sessions Judge, Delhi & Ms. Tamnna, Sub Inspector, Local Police Station
Venue: Modern School, Vasant Vihar
Aim/Objective: The workshop sensitised participants to child safety, protection and the legal provisions of the Protection of Children from Sexual Offences (POCSO) Act. It focused on recognising, preventing and reporting instances of child abuse, while emphasising the shared responsibility of educators in safeguarding children's rights and well-being and maintaining a safe and supportive school environment.

Name: **Workshop on Computational Thinking**
Date: July 4, 2026
Attended by: All Teaching Staff
Resource Person: Mr. Lucky Puchhrat, Founder Mavericks India Solution
Venue: Modern School, Vasant Vihar
Aim/Objective: The workshop introduced teachers to computational thinking as a tool for developing problem-solving and analytical skills. Concepts such as decomposition, pattern recognition, abstraction and algorithmic thinking were explored, along with practical approaches for integrating them across subjects and classroom practices.

Name: **Upstate New York International Counselor Tour 2026**
International Career and College Admission Conference (ICAAC) 2026
Date: July 5 to 10, 2026
Attended by: Ms. Saanchi Khanna, Counsellor
Aim/Objective: The programme provided insights into international admissions, scholarship opportunities and global counselling practices, strengthening the school's university guidance framework and enabling counsellors to better support students exploring higher education opportunities abroad.

Name: **IC3 Summit**
Date: August 19 & 20, 2026
Attended by: Ms. Saanchi Khanna & Ms. Komal Malik, School Counsellors
Aim/Objective: The Summit facilitated meaningful discussions on higher education, university admissions, career counselling and emerging trends in global education, enriching the counselling team's professional understanding and strengthening its capacity to guide students towards evolving academic and career opportunities.

Name: **Workshop on Team Building**
Date: September 8, 2026
Attended by: Teachers teaching Grades III to XII
Resource Person: Mr. Abhinav Singhal, CEO Inspireshala
Aim/Objective: The workshop emphasised the importance of collaboration, communication, creativity, trust and problem-solving in building effective teams, with a focus on strengthening teamwork within the educational environment.

Name: **Workshop on Kokoro Moral Education**
Date: September 24, 2026
Attended by: Teachers teaching Grade V & Ms. Geeta Rawat, Headmistress, Junior School
Resource Person: Mr. Abhinaya Chandershekar, Mystic Land

Aim/Objective:	The workshop focused on the meaningful integration of Japanese values with Indian cultural and moral values, with an emphasis on nurturing emotional wisdom among students.
Name:	Workshop on Preparing Leaders for the Future Learning Society
Date:	September 25 to 27, 2026
Attended by:	Ms. Ruchika Chaudhary & Ms. Anu Mathur, Coordinators
Conducted by:	Indira Educational Consultancy Services
Aim/Objective:	The workshop featured expert talks, panel discussions, and interactive sessions, with a focus on purposeful integration of AI and technology, adaptive leadership, and preparing schools for the evolving demands of education. The program also offered insights into strengthening school practices and advancing future-ready leadership.

Principal's Participation

The wider educational landscape found an active and engaged voice in Ms. Vibha Khosla, Principal, whose professional engagements during the year extended well beyond the School. Her participation in national conferences, educational conclaves and professional forums provided opportunities to contribute to contemporary conversations on the changing nature of education, while her roles as keynote speaker, panellist, rapporteur, and resource person reflected the breadth of her professional experience and leadership. Across these platforms, she shared her perspectives on skill development, holistic education, adolescent well-being and evolving pedagogical practices, contributing meaningfully to the professional learning of educators and the advancement of educational thought.

Her significant professional engagements during the year included

- Delivering the keynote address during an Educator's Conclave, Collective on November 29, 2025, on the theme Evolving Learning Modicums: Boomers to Generation Beta.
- Participating in the CBSE National Adolescents Summit on December 5, 2025 and the CBSE National Sahodaya Conference on December 11, 2025.
- Attending Prospective Resource Person Training on Kaushal Vikas organized by CBSE on September 26, 2026 at Ramjas School, R K Puram.
- Serving as Rapporteur at the *53rd Annual Conference of NPSC* for the panel discussion '*From Knowledge to Know-How: Repositioning Schools as Skill Ecosystems.*'
- Serving as a panellist at the First in Class Conclave & Awards 2026, where she shared her perspectives on 'Beyond the Report Card: Rethinking Holistic Education.'
- Serving as a resource person for Capacity Building Workshops on
 - *Art Integration* on January 9, 2026
 - *Life Skills (Advance)* on January 22, 2026.
 - *Life Skills (Advance)* on April 18, 2026 at Modern School, Vasant Vihar and on May 15, 2026 at St. Anthony School.
 - *Gender Sensitivity* on May 20, 2026 at Army Public School
- Serving as Subject Expert on the Departmental Promotion Committee at Chinmaya Vidyalaya, Vasant Vihar for appointment of Senior Coordinator and Senior School Headmistress.

Sardar Bhagwant Singh Awards

The Sardar Bhagwant Singh Photography Competition was organised on August 12, 2026, for Grade VIII students on the theme 'Catch the Rain.' The competition received 23 entries, featuring varied interpretations of the theme through photography.

Aarish Darius Shroff (VIII A) secured the First Position, while Sahej Arya (VIII E) and Siraaj Chhabra (VIII C) secured the Second and Third Positions, respectively. The competition provided students with an opportunity to develop their skills in photography and visual composition.

Continuing the legacy of promoting research and innovation among students, the Sardar Bhagwant Singh Award for Excellence in Research, was opened for students of Grade XI.

26 students took up 12 projects on challenging and socially relevant themes. The following students attained the first three positions:

First Prize: Samairra Malhotra and Aanya Nariani

Project Name: Regrip: wearable hand orthosis for stroke patients

Second Prize: Vanshika Baid, Eshanya Nahar, Vihaan Jain, Navya Chhabra

Project name: Smart segregation bina for waste management

Third Prize: Aadya Aneja and Suryansh Jain

Project Name: Sustainable paper pulp

Club Activities

The school's diverse range of clubs provides students with opportunities to pursue interests beyond the classroom and develop their abilities through active participation. From debate, robotics and theatre to the visual and performing arts, the clubs offer varied avenues for exploration and collaboration, complementing the academic programme offered at school with experiential learning.

The **Club Investiture Ceremony**, held on September 21, 2026, marked the formal induction of the newly appointed office bearers of the various school clubs. The Principal presented badges to the student leaders and formally entrusted them with their respective responsibilities. The ceremony marked the beginning of their tenure and underscored the trust placed in them to discharge their responsibilities with commitment and responsibility.

Debating Society

An interactive workshop for World Scholar's Cup participants was conducted on October 1, 2025. Students were assigned motions and tasked with constructing four distinct arguments, fostering both analytical and empathetic thinking. Individualized feedback was provided to refine their debating styles and logical coherence.

This was followed by query-resolution session to familiarize students with the debating format, expectations, and structure of the global round.

Debate Training & Preparation

Debate training is conducted throughout the year, with competition-specific preparation undertaken before each tournament. Sessions draw on established resources such as the Oxford Union Debate Guide, international debating guides and competitive debating frameworks, covering argument construction, rebuttal, Points of Information (POIs), research, case-building, delivery and debating strategy. The programme combines regular practice with focused preparation for different competition formats and motions. In addition to the general training sessions listed below, dedicated preparation sessions are conducted before each competition. These sessions focus on the relevant debating format, motions, timed rounds, and feedback. Senior members also train younger students, creating a peer-led system that continuously develops debating skills across age groups.

General Debate Training Sessions

- 2 August 2026 -2 hours
- 4 August 2026 -1.5 hours
- 7 August 2026 -1.5 hours
- 23 August 2026 - 1 hour - Orientation for Grade 6 students

Environment Club

The Annual Green Fair, organised by the Green Brigade Club, was held on October 17, 2025, on the theme 'Harmony with Nature'. The fair encouraged students to consider sustainable choices and their role in caring for the environment. Seven organisations participated by showcasing and selling sustainable products, including Ek Umeed Day Care Centre for Special Children, Cheshire Home India, Nature Society, VIDYA MARGAM, Tamana Special School and Harmonious Children Rehabilitation Association.

The fair was inaugurated by the Principal, Ms. Vibha Khosla, with the planting of a neem sapling.

An installation was put up depicting deforestation and destruction, contrasted with nature and life, in the form of a forest made with cardboard animals. Following the 5 R's (reduce, reuse, recycle, refuse, repurpose), the Green Brigade Club repurposed decoration for the fair from waste paper and discarded art material.

A mega plantation drive was conducted on July 3, 2026 by students, teachers and the Principal. The initiative reinforced the belief that protecting the environment begins with individual responsibility and collective action.

Astronomy Club

The Astronomy Club offered students opportunities to explore astronomy through observation, experimentation and model-making. A session on Building Mega Structures, held on November 14, 2025, introduced students to the engineering, architecture and physics underlying some of the world's enduring bridges. Through hands-on experiments, they examined the structural principles that contribute to the stability, strength and durability of large-scale constructions.

Two overnight astronomy camps, held on December 22–23, 2025 and March 17–18, 2026, provided students with three structured night sessions combining theoretical learning with real-time sky observation. Students were introduced to basic concepts of the night sky, used telescopes to observe planets and constellations, and practised identifying stars.

A session on Archaeoastronomy and Modern Astronomy on January 28, 2026 enabled students to examine the relationship between ancient astronomical practices and contemporary methods of observation. Using Jantar Mantar as a reference, they studied instruments such as the Samrat Yantra and Misra Yantra and compared them with modern tools including telescopes and satellites. Model-making activities further connected the principles of physics and mathematics with architectural design and astronomical observation.

The VYOM Astronomy Club complemented these modules with practical sessions on 'Cooking a Comet' and Advanced Rocketry. In the former, students explored the composition of comets by creating models representing dirt, gases, organic matter, water and dry ice. In the latter, they constructed and launched water rockets, applying the principles of pressure and propulsion. These activities enabled students to engage with astronomical concepts through direct experimentation while developing an understanding of cometary composition and rocket propulsion.

Interact Club

The Interact Club of Modern School, Vasant Vihar, in collaboration with the Rotary Club of Delhi Mid-West, organized the Annual Inter-NGO Sports Meet on November 1, 2025.

Mr. Anshul Jubli, India's first UFC fighter, presided as the Chief Guest. Also present were the members of the Rotary Club of Delhi Mid-West. In her welcome address, the Principal, Ms. Vibha Khosla emphasized the importance of sports and nutrition in leading a balanced and healthy life.

Over 150 children from nine NGOs, Ishwar NGO, Udyan Ghar, Vidya Foundation, Prajna Foundation, Little India Foundation, Hamari Pehchan, Scope for Change, The Creative Thinkers Forum, and Taleem Society, participated in a range of fun and competitive events that included 100m Race, 200m Race, Lemon and Spoon Race, Hurdle Race, Sack Race, Three-Legged Race, 4×100m Relay, Tug of War, and Penalty Football Shootouts. The Investiture Ceremony of the new Interact Board was also held.

With a view to augment community service and outreach, Blood Donation Camps were organised in collaboration with the Rotary Blood Bank on December 13, 2025 and September 26, 2026 to create awareness about the importance of voluntary blood donation.

The camp witnessed an encouraging turnout, with 60 and 37 units of blood collected respectively in the two camps. The initiative proved to be impactful and inspiring, reinforcing the value of community participation in humanitarian efforts.

A **Book Donation Drive** was organized from May 8 to 11, 2026 in collaboration with the Connecting Dream Foundation (CDF), Shri Ram College of Commerce to collect books to set up 'Dream Libraries' in children's NGOs and old-age homes across the city.

The **Annual Bake Sale**, held on August 13, 2026, saw students across Grades come together to raise funds for community service through the sale of a variety of baked treats.

Ritvi Jain of Grade XI has been selected as Zonal Interact Representative (ZIR) for District Interact Council 2026-27, for Rotary International District 3011.

IAYP

The International Award for Young People (Duke of Edinburgh's International Award) is the world's leading youth achievement award, bringing together practical experiences and life skills to create committed global citizens and equipping young people for life. It is the finest Experiential Learning Programme in the world of education today and enables young people to find their passion, purpose and place in this world. There are three levels of achievement: Bronze, Silver, and Gold levels.

Ritvi Jain, Vihaan Jain, Suryansh Jain of Grade XI and Anahita Goyal of Grade X have successfully completed Bronze level and are pursuing the silver.

Heritage Club

The Heritage Club continued to engage students with Delhi's cultural and artistic heritage through a range of programmes organised by INTACH.

As part of the World Heritage Week celebrations, Jenisha Kaur, Ayana Rathi, Riyanshi Jain and Aashiv Aggarwal of Grade IX, and Bahaar Suri of Grade X, participated in the Qissago Storytelling Workshop organised by INTACH under the Heritage Education and Communication Service (HECS) on November 19, 2025. The workshop used storytelling, live demonstrations and discussion to introduce students to Delhi's culture, folklore and artistic traditions.

On February 3, 2026, Club members participated in the INTACH Filmit India Film Festival, which featured short films created by students around themes of heritage, culture and personal narratives. Samarvir Sabharwal (Grade VIII) received the Best Story Award for his film My Personal Heritage. Aahana Mulchandani (Grade VIII) and Riyanshi Jain (Grade VII) received participation certificates for their films.

On July 28 and 30, 2026, Arjun Marmat (Grade VIII), Ginaya Ahuja (Grade VII), Bahaar Suri (Grade VII), Avyan Garg (Grade VI) and Amaira Singh (Grade VIII) participated in the FilmIT Content and

Technical Workshops organised by INTACH, New Delhi. Conducted by Mr. Feisal Alkazi and Ms. Himanshi Saini, the sessions covered content development, scripting, planning and the technical aspects of film production.

Ramanujan Society of Born Mathematicians: RSBM Examination

The Ramanujan Society of Born Mathematicians (RSBM) organized the annual Inter School Mathematics Talent examination on February 7, 2026. The examination provided students with an opportunity to apply their mathematical understanding and compete with peers from other schools. Details are as follows:

Grade	V	VIII	IX	XI
Number of participating schools	11	9	6	4
Number of participating students	182	121	72	47

Lifestyle Club

The Lifestyle Club introduced students to the diverse facets of hospitality, lifestyle and design through a range of hands-on activities and exposure visits. Educational visits to Pearl Academy and the Institute of Hotel Management (IHM) gave students first-hand insight into design, fashion, hospitality and related career pathways, helping them gain a clearer understanding of these fields and the opportunities they offer.

Cyber Squad Club

The Cyber Squad Club provided students with opportunities to explore the rapidly evolving world of technology through inter-school competitions, technology events and awareness initiatives. Its activities ranged from programming, robotics and gaming to computer science and digital technology, giving students opportunities to apply their skills in different settings. The Club also placed emphasis on cyber safety, responsible internet use, protection of digital information and ethical use of technology, ensuring that technological learning remained closely linked to responsible application.

Aligned with this vision, an interactive session was organized for students of Grades VI to XII. The resource personnel were Mr. Akash Yadav, Sub-Inspector, Delhi Police, and Mr. Akhil Raj, Cyber Commando, Delhi Police. The session focused on current cyber threats such as phishing, vishing, quishing and other scams, and also introduced students to proactive safety and digital security tools and websites such as M-Kavach 2, and Virus Total.

Model United Nations

The Model United Nations programme immersed students in the study of current issues, sharpening their ability to examine diverse perspectives and articulate informed positions. During the year, students participated in MUN conferences hosted by leading schools across Delhi. At Lokneeti MUN 2025, hosted by Summer Fields School, Kailash Colony, on October 4 and 5, the school delegation earned the Best School Delegation Award, with individual delegates also receiving awards for their performance. Their performance reflected sustained preparation and a strong command of the issues under discussion.

ASTRAL MUN 2025, hosted by G.D. Goenka Public School, Sarita Vihar

Dates: October 11 & 12, 2025

Name of Delegate	Grade	Committee	Remarks
Naina Sharma	IX	UNGA-Belgium	Special Mention
Reesa Goel	IX	WLS-Keir Starmer	Verbal Mention
Aarav Dhawan	IX	WLS-Xi-Jinping	Honourable Mention 1
Panya Bhagchandani	IX	WLS – Kim Jong Un	Honourable Mention 2
Aradhya Sachdev	IX	WLS – Jeff Bezos	Honourable Mention 3
Damya Noor Agarwal	IX	WLS – Michelle Obama	Special Mention

Excelsior, American School

Dates: December 15 & 16, 2025

Name of Delegate	Grade	Committee	Remarks
Kiarra Bajaj	X	United States of America (UNHRC)	
Aarika Rai	X	South Korea (UNHRC)	
Arnav Periwal	X	Japan (UNHRC)	
Dhruv Mathews	IX	Germany (UNHRC)	Verbal Mention
Anshita Varmani	VIII	Denmark	
Adil Mammen	XI	Australia (UNHRC)	

The MUN Society also conducted a five-day training workshop for 98 students, introducing new members to Model United Nations procedures, debate and resolution drafting. The programme concluded with a Mock MUN, where students put their learning into practice through simulated committee sessions and received feedback from the Executive Board.

Details of participation of students in MUN:-

Sanskriti MUN 2026

Date: April 22 to 24, 2026

NAME	GRADE	PORTFOLIO	AWARD WON

Sports

Sport continued to hold an important place in school life, with students participating across a wide range of disciplines at the school, zonal, state and national levels. Regular training, competitions and sporting events provided opportunities for students to chisel necessary skills, while representing the school in diverse sporting arenas. The year saw commendable performances across several disciplines, alongside a strong calendar of competitions and sporting initiatives, as detailed in the following account.

Anushka Gupta, Grade IX

We are delighted to share that Anushka Gupta Grade IX has been invited by the R&A (the Global Governing body for Golf that administers the Rules of Golf, equipment standards, and the World Amateur Golf Rankings) to represent India at the World Amateur Asia Pacific Training Academy in November 2026.

This invitation is highly prestigious and recognises top global golf talent and supports the development of world-class female amateur golfers across the Asia-Pacific region. Anushka, despite being only 14 years, was selected from India since she is one of the highest ranked amateur golfers from India.

Anushka, the youngest Indian to open a World Amateur Golf Ranking (WAGR) account, has risen to 591 in the global WAGR following multiple tournament victories and is currently the 4th highest-

ranked Indian female amateur golfer. She aspires to represent India at international tournaments as part of the Indian National Team.

Hockey

The Lala Raghubir Singh Inter-School Invitational Hockey Tournament was hosted by Modern School, Vasant Vihar from July 20 to 24, 2026, with 14 school teams from Delhi and NCR competing for the title. Marking a notable double victory for the school's hockey teams, Modern School, Vasant Vihar emerged Champions in Under-18 Boys and Under-18 Girls

The event concluded with a ceremony graced by Ms. Jaspreet Kaur, Former International Hockey player and Indian drag-flick specialist coach, as the Chief Guest. In her address, she acknowledged the sporting abilities displayed by the participants and commended their commitment to the competition.

Swimming

The school successfully organized an Aquathlon Competition on May 16, 2026, at the school swimming pool and athletic track. The event aimed to promote physical fitness, endurance, sportsmanship, and participation in multi-sport activities among students.

The competition witnessed enthusiastic participation from students of Grades IX to XII. The event consisted of two disciplines—swimming followed by running. Participants demonstrated remarkable determination, stamina, and competitive spirit throughout the competition.

The competition provided students with an excellent opportunity to challenge themselves and develop confidence, discipline, and resilience. Details are as follows:
