Vasant Vihar

## Principal's Report

October 15, 2022 to October 15, 2023

## Novel Endeavours

### Golden Jubilee Block

In 2025, Modern School, Vasant Vihar will complete 50 glorious years of establishment.

Towards this historic milestone, the school has mobilized huge resources to build a state of art, Fine and Performing Arts **Golden Jubilee Block**.

Work on this project from the point of conceptualization began more than a year ago. Multiple proposals from various architects were tabled and vetted before the finalization of Morphogenesis Architects, a company led by Ms. Sonali Rastogi, MSVV alumna.

The new block, which is being designed as a 'green' building, will comprise a mini auditorium, activity rooms, space for art exhibitions/displays and a basement for storage purposes.

The foundation stone for the much looked forward to initiative was laid on May 29, 2023 in a Bhoomi Puja ceremony at the site. The auspicious occasion was graced by Ms. Anuradha Singh, Hon. President; Ms. Ambika Pant, Hon. Secretary; Ms. Mira P Singh, Hon. Treasurer; and Members, Board of Trustees and Managing Committee; Parent Teacher Association; Modern School, Vasant Vihar Alumni Association; staff and students.

Another traditional puja was then organized on July 4, 2023 in the presence of the Chairperson, Managing Committee, Modern School, Vasant Vihar, Principal and administrative staff of the school.

The new block will be a landmark achievement for the school from various points of view that included enhanced facilities and capacities and a symbol of the school keeping pace with needs of time.

### Augmentation of ICT Resources

Digitized, internet enabled interactive boards were installed in all classrooms in alignment with the vision to upgrade the use of technology in the pedagogical ecosystem of the school. These interactive boards have lent a fun and engaging aspect to classes by bringing alive three dimensional resources in the form of geometric diagrams, thematic variety and an with interactive interface.

The school's IT capacity was enhanced through a comprehensive analysis of existing equipment.

Following due diligence, requirements were raised, considering recycling and upgrading options. The process involved restructuring and refurbishing the current computer laboratories and the Teachers' Resource Centre for improved functionality.

### Installation of Enterprise Resource Plan (ERP)

Installation of Enterprise Resource Plan (ERP) system was a very progressive step taken by the school under the visionary leaders in the period following the pandemic.

A much needed move, this enterprise is a very valuable addition in consolidating the back-end functioning of the school's administration and records.

### Inclusive Education and Support to Students

The school lays incredible value in creating efficient ecosystems of learning for all its students.

Support is offered in the form of scribes for writing, modified question papers, qualitative assessment for those representing school in curricular and co-curricular fields. Further to this, workshops and training modules are created for faculty members to better equip them with the right tools.

It was in this vein that Ms. Geetika Anand, School Counsellor, and Ms. Gurpreet Kaur, Special Educator, visited Higashi Autism School on September 27, 2023. The purpose of the visit was to forge professional bonds, observe facilities and methodologies employed for catering to the needs of students with autism, and create inroads for future sharing of best practices.

Dyslexia Awareness Camp was organised in school from October 9 to 13, 2023 to foster comprehension among parents, teachers and peers. The objective was to infuse sensitivity and acceptance as also to expound upon the value of peer tutoring and occupational therapy for educating students with learning disabilities. The sessions were appropriately attended by students studying Psychology at senior secondary level.

### Orientation Sessions

Orientation sessions for parents of Nursery to Grade X were conducted at the commencement of the new session. These sessions play a vital role in establishing effective communication and ensuring that parents are well-informed about various aspects of the school's functioning like academic programs, communication, facilities, transportation, school's policies and procedures.

### Tests and Examinations

To augment and gauge learning, a robust system of assessment and evaluation is in place in school. Periodic and Term examinations are held for Grade III onwards and remediation is planned thereafter. Timely feedback of academic progress is shared with parents during parent teacher interactions.

### Remediation Program

Teaching learning was carried out as per the course content planned and remediation plan was integrated to bridge the learning gap.

Helping hand program with the help of parent volunteers was initiated for children who were below basic level. Concepts like letter/number recognition and phonic awareness were reinforced. The program was beneficial and a remarkable improvement was observed in performance of students. Significant learning gaps were observed in teaching of Science and Mathematics in the period following the pandemic. The school has been making various attempts to address the same. As part of the follow up, a remediation program was implemented from May 23 to 31, 2023 by the school to provide additional support and guidance to academically weak students. The primary goal of this program was to bridge the gap between the students' current knowledge and the expected level of understanding. The tally of students who attended the program is as follows:

Grades	Number of students	Subjects	Name of Teacher
I & II	37	English, Hindi and Mathematics	Ms. Deepika Tomar, Ms. Anisha Singh, Ms. Neharika Sharma, Ms. Wajiha Khanam, Ms. Parmeet Kaur, Ms. Neha Chauhan
III to V	47		
VI	11	Mathematics and Science	Ms. Rupika Singh
VII	17		Ms. Deepti Oberoi
VIII	14		Ms. Priyanka Vasudeva
IX	10		Ms. Aakshi Chopra
X	8		Ms. Seema Sapra

During the remediation classes, teachers adopted a student-centric approach by tailoring their learning methodologies according to individual differences.

## Noteworthy Achievements

### Felicitation Ceremony for MSVV National Winners

On April 29, 2023, the school organized a special award ceremony to honour its remarkable football girls' team for clinching the CBSE National Football Under19 Girls Championship.

After a year-long rigorous training and competitions at various levels, this was the first time that the girls' team achieved this benchmark in the history of Modern School, Vasant Vihar under the able mentorship of the school coach, Mr. Rupesh Dev. Also honoured on the day were participants/winners of the CBSE National Chess and Swimming championships.

Parents of the awardees attended a ceremony in the presence of the Chief Guest, Justice Mukul Mudgal, an accomplished alumnus and currently Head, FIFA - Governance Committee and Review Committee.

Another illustrious feather in the cap was the achievement of **Saanvi Agarwal**, Grade XII, who led the Delhi State Football Team as Captain for the Under 19 Girls Football Tournament at the 66<sup>th</sup> National School Games. The tournament was held at Bhopal from June 6 to 12, 2023 and was organized by the SGFI (School Games Federation of India).

The school's coach, Mr. Rupesh Dev, was appointed as Head Coach by the All India Football Federation for the Sub Junior Girls Delhi Football team which secured Runner Up position in the Sub Junior Girls National Football championship held from September 14 to 24, 2023 in Karnataka.

**Dhawani Bidada**, Grade VIII, was one of the members of the Sub Junior Girls team, and **Radhika Pathak**, Grade XII, represented Delhi as Vice Captain in the Junior Girls National Football Championship.

### Recognition

A cohort of twelve students from Modern School, Vasant Vihar participated in the NASTA (National Assessment for Students in Technical Aptitude) evaluation conducted by the Knowledge & Awareness Mapping Platform (KAMP), effectively showcasing their prowess, knowledge, and aptitude in this assessment in January 2023. KAMP is tailored to comprehensively evaluate students' grasp of essential 21st-century skills, which are vital for success in today's interconnected world. These skills include critical thinking, problem-solving, communication, collaboration, adaptability, and more. In the results announced in the month of June 2023, **Samarvir Sabharwal** of Grade V achieved exceptional success in the assessment and emerged as the District Topper, a testament to his remarkable abilities.

**Harshit Singh** of Grade VIII participated in Kalanjali: A festival of Science and Culture organized by the Ministry of Culture, Government of India on July 30, 2023. He won the First Prize in 'Dress Like an Indian Scientist' event. He played the role of a great Indian Chemist, Acharya Prafulla Chandra Ray also known as the Father of Modern Chemistry of India.

**Aryaman Sahil Sharma**, a student of Grade XII, recently participated in the Clever Harvey Business Plan Challenge organized by E-Cell IIT, Roorkee and has achieved an outstanding accomplishment by securing a position in the Top 14 finalists. The Clever Harvey programs are designed to equip teenagers with a platform to delve into diverse career pathways, fostering the development of creativity, confidence, and a strong foundation in business acumen.

**Anahita Rustagi**, Grade VII was awarded World Records of Excellence certificate for "maximum number of kathak tatkaar with hastak performed in one minute (kid)". She performed 147 kathak

tatkaar (footsteps) with hastak in one minute and was awarded a certificate and a medal. Her name was also added in the International Book of Records on November 13, 2022.

**Kathiera Pahuja**, Grade II, created a record of performing the 2850 one hand hula hoop spins in 30 minutes. She was awarded a certificate by the India Book of Records on November 7, 2022.

### Student led Initiatives

The school believes in fostering the culture of entrepreneurship and community engagement amongst students in line with its overarching vision and mission. Students of secondary and senior secondary section are always encouraged and supported in the realization of their novel ideas within and outside the school. It has been observed that a large number of these wonderful initiatives of the school/students are recognized by external bodies like FICCI, Paramerica, Junior Astitva Samman to name a few. Whilst these projects seem to inculcate deep social conscience through hands-on activities, they have received recognition in paving a path for securing admission in renowned institutions for higher education. Recognition of entrepreneurship has truly been one of the hallmark traditions of Modern School, Vasant Vihar.

Notable projects undertaken by students this term are as follows:-

As further support to the confidence and to broaden the field of possibility for these students, the school organized a visit to the National Book Trust (NBT). The group included student-authors, their parents and faculty. At the NBT, students had a meeting with the very encouraging Director, Mr. Yuvraj Mallik, and presented him their books. Very serendipitously, the Director offered the group to represent the school as Speakers in the upcoming World Book Fair in Delhi.

## Junior Astitva Samman

The Junior Astitva Samman was instituted by the PHD Family Welfare Foundation (PHDFWF), a registered non-profit organization that is promoted by the PHD Chamber of Commerce and Industry. Its primary aim is to honour and recognise the commendable work done by students in schools in Delhi, NCR in the field of health and family welfare like skill development training for marginalized women and youth, mobile medical care, free dental & eye check-up camps, care for people living with disabilities, self defence training etc.

Our students have zealously participated in projects and undertaken commitments that fall within the purview of Junior Astitva Samman and attained overarching recognition for the past six years.

Taking the partnership forward, this year **Aarav Gupta** and **Aagastya Jaipuria** of Grade XII, and **Tarini Kapur**, Class of 2023 earned acclaim for their project submission titled 'Manual Scavenging' and 'Star in Me' respectively.

### Pramerica Spirit of Community Awards

The Pramerica Spirit of Community Awards is an annual nationwide search to identify and recognize school students who have made a positive difference in their communities through volunteer community service. Students can participate in the program individually or as a team. This year, our student, **Nihal Singh Dhingra**, Grade XII, rubbed shoulders with worthy participants from across the world and earned recognition for his project 'Sustainability in the Fashion Industry'

### Sardar Bhagwant Singh Award

The prestigious Sardar Bhagwant Singh Award for Excellence in Research for Grade XI students and the Sardar Bhagwant Singh Photography Award for Grade VIII students were established by Ms. Geetanjali Chanda, a Member of the Board of Trustees at Modern School, in memory of her father, Sardar Bhagwant Singh.

The **Excellence in Research Award** aims to promote awareness of specific issues by encouraging students to delve deep into their chosen topics, conduct thorough research, and present their findings in a well-structured project format.

This year 14 thought provoking proposals were received. The same were assessed and evaluated by an illustrious panel comprising Ms. Geetanjali Chanda, Ms. Sumiran Bhandari, Ms. Rachna, and subject experts from faculty of the school.

Students set up interactive booths that displayed information about different types of millets, their nutritional benefits, and the environmental advantages of cultivating millets by using imaginative artworks. Creative posters, diagrams, and charts made by students made the information accessible to visitors.

Visitors had the opportunity to taste a range of millet-based dishes, such as millet porridge, millet pancakes, millet salad, and millet-based sweets.

### **Grandparents Week**

Embracing our school's rich tradition of honoring and valuing our elders, the school celebrated Grandparents Week" from September 18 to 22, 2023. The primary aim was to celebrate and honor the cherished connection between our students and their grandparents. Throughout this engaging week, a variety of activities, such as interactive games and educational experiments, were thoughtfully planned. The spirited involvement of grandparents was truly heartening, as they actively joined in with enthusiasm. The week culminated in a joyous carnival, perfectly reflecting the spirit of love and togetherness that defines the bond between generations.

### Language Day Celebration

In alignment with the proposals enshrined in the National Education Policy 2020, a special day was dedicated to spreading awareness about, bringing out the beauty of, and creating interest in the languages offered by the school. This was done during a special assembly on September 15, 2023 during which activities and events were conducted in the said languages which are French, German, Sanskrit and Spanish. These included songs, plays, informative presentations and talks.

### Swachhata Pakhwada

In accordance with the CBSE circular, various activities were conducted that aimed at keeping the school clean and explained the importance of personal hygiene. Activities undertaken from September 1 to 15, 2023 included taking of Swachhata pledge, inspection of sanitary facilities and their upkeep in school, disinfection of toilet facilities, cleaning of classrooms, fans, doors, windows and garden areas, removal of broken and unused furniture etc.

### Inter School Science Fair

Pursuant to the school's commitment to development of scientific temper, an Intra School Science Fair was organized for students of Grades III to V on September 27, 2023 and Grades VI to XII on September 26, 2023.

This year, the Fair was formatted to provide students experiential first hand tackling of scientific topics in a fun, innovative and engaging way.

A wide ranging set of activities was planned and incorporated in the event. Each Grade presented a Skit on topics such as Marie Curie, Chandrayaan III, Cellular Function, and Gene Theory. The highlight was a self composed jive on The Big Bang Theory created and presented by students of Grade XII.

### Activities for little Modernites

The calendar for little Modernites of Nursery and Kindergarten is always brimming with a vibrant array of engaging activities that span the entire academic year and is a lively tapestry of festivals, special commemoration days, thrilling excursions, and immersive experiences. Understanding the importance of hands-on learning for our budding scholars, we have thoughtfully curated a range of enriching experiences, including Excursions and day trips to Farms and Nurseries, Magical Painting, Storytelling, Recitation, Show and Tell, Talk Show, and even the exciting Design a Dress challenge, among various others.

## Outreach Initiatives and Immersion

### Modern Institute for Education (MIE)

The Modern School Society has taken a significant step in the direction of educational advancement by establishing the Modern Institute for Education (MIE), formerly known as the IRDSE (Institute for Research and Development in School Education). Affiliated with the Modern School Society, MIE aims to spearhead research, innovation, and collaboration in the field of education.

The rechristening of IRDSE to the Modern Institute for Education reflects the institution's renewed commitment to contemporary educational practices, research, and development.

Ms. Abha Sadana, Former Principal of Modern School, ECNCR, has been appointed to lead the MIE program. With a proven track record in educational research and development, her expertise will play a pivotal role in guiding MIE towards its goals.

Prior to drawing up the action plan for MIE, Ms. Sadana collaborated with the Principal, Ms. Meenakshi Sahni, over two meetings for brainstorming and learning about best practices at MSVV. The Principal's inputs were appreciated by Ms. Ambika Pant.

MIE's action plan is multifaceted, encompassing a range of initiatives aimed at elevating educational standards and fostering innovative teaching and learning methods. The following key components outline the action plan:

- MIE has organized a series of workshops for educators, addressing diverse topics such as pedagogical innovation, technology integration, and student-centered learning approaches. These workshops serve as platforms for knowledge exchange and skill enhancement. A workshop on Understanding and Unfolding National Education Policy and National Curriculum Framework for Foundational Stage was conducted for teachers teaching Nursery to Grade II on July 1, 2023. 27 teachers of MSVV attended the same.
- Surveys and Data Collection: MIE has conducted comprehensive surveys to gather insights from educators, students, and parents. An action research survey to investigate the Usage of AI tools like ChatGPT in Schools was initiated for students of Grade XI. The aim was to assess the use of AI tools in completing the homework assignments by Grade XI students and also to identify the reasons that students have to use these tools. The survey would help teachers in imbibing intrinsic knowledge about the prevalence of AI tools and ChatGPT in their classrooms. A questionnaire to the effect was filled by teachers teaching English to Grade XI followed by submission of assignments by 31 students on Today's youth, an Instagram generation. Teachers also shared highlights of group discussions held on the Knowledge and use of ChatGPT and what could be the ethical implications of using the same. The data collected would help identify areas of improvement and tailor research initiatives to address specific needs.
- Collaboration with Educators: MIE has actively collaborated with educators from various institutions, both within and outside the Modern School Society. This collaborative effort aims to share best practices, brainstorm innovative teaching methodologies, and collectively contribute to the evolution of the education landscape.
- State Education Department Partnership: MIE has established a collaborative partnership with the state education department to enhance teacher education. Joint initiatives include curriculum development, teacher training programs, and the implementation of modern teaching techniques in schools across the state.
- Two-day visit of Government Primary School Teachers: September 1 and 4, 2023: The central objective of this visit was to broaden the horizons of teachers, providing them with fresh ideas and innovative approaches to engage their students effectively. Furthermore, it sought to expose educators to a diverse array of teaching methodologies, classroom management techniques, and administrative strategies. During the school tour, they were introduced to various facilities, including the clinic, games field, sculpture room, junior computer lab, junior art room, and junior library. The teachers also conducted classroom observations, spanning from the Pre-Primary section to Grade V. Following this, the group was engaged in a reflective session. This allowed them to share and discuss key takeaways from the visit, facilitating a constructive exchange of insights between the visiting teachers, the Principal, and the Headmistress.

### **Visit by Holton Arms School**

Our school has been actively participating in an educational and cultural enrichment program with Holton Arms School in Washington DC, for the past fifteen years. The program aims to foster cross-cultural understanding, promote global citizenship and provide enriching experiences for students and faculty from both institutions. This year, the school hosted six students and two faculty members from Holton Arms School on July 25 and 26, 2023.

The immersion was both fun and enriching. The guest students tried their hand at Yoga, Dance, Cooking, and Tie & Dye. An engaging exchange of ideas and experiences between young girls from two diverse educational systems took place by way of interactive talk and lecture sessions. Our school was represented by: Simar Sangla, Smyra Arora, Gauri Bhatia, Rubalee Bhalla, Niharika Bhargava, Anaya Sharma, Adya Narain, Bella Satija and Sarthak Jain, all from Grade XII.

## Community Outreach

In our quest to contribute to the community, this year the junior school initiated a community outreach program for the students of Grade-V. The objective of this program is to sensitize the children to develop purpose, ethical practices, and civic responsibility through shared experiences. On September 13 & 14, 2023 students of Grade V visited 'The Blind School' & 'The Second Inning Home'. Various activities like songs, gentle exercises, humourous skits, tactile games, cooking together, were conducted.

The program resulted in the most satisfying and enriching experience both for the teachers and students who brought back with them blessings and memories to cherish and share.

## Club Activities

### Environment Club

**Teacher Incharge: Ms. Aseema R Gokhale and Ms. Mini Sachdeva**

#### Visit to One Step Greener NGO

24 students from Grades VIII to XII visited One Step Greener (OSG) on December 29, 2022, as a follow-up after students of Modern School, Vasant Vihar donated nearly 200kg of solid dry waste. The founders of OSG, Mr. Vihaan and Mr. Nav Agarwal, explained the complete process from collection to segregation of waste. Students got a first-hand opportunity to see and understand the process of dry waste segregation. Students also visited a reforestation area in Vasant Vihar where OSG has planted over 100 trees.

#### Best out of Waste (Making toys from recycled waste)

A series of class discussions and orientation exercises on importance of recycling were carried out for students of Grade IV, following which activities on 'Toy Making' were held. Later, classes were decorated with toys made by students.

#### Cleanliness Drive

Classes on making trash bags out of newspaper and paper aprons were conducted for students of Grade V. Following this, students were assigned areas in school to carry out their own cleanliness drives in keeping with the concept of waste segregation.

#### Sensitization Activities on Air Pollution

Activities like Slogan Writing, Essay Writing, Speech, and Poster Making were conducted to make students of junior school aware about the causes and impact of air pollution on health. Class discussions related to Air Pollution supported by educational content in the form of videos were also held.

#### Oath against use of SUP items

206 students of Grades VI to IX took an oath against using banned single use plastic items. The oath was administered by Ms. Poonam Gogia, Supervisor Middle School during the school assembly.

#### Flora of Modern School

Three students of Grade XI, Sara Bhargava, Arrsheya Sachdev and Gayatri Kalra embarked on identifying all the trees of the school campus from April 11 to June 5, 2023.

The endeavor was enriched by collaboration with the school gardener, who introduced them to vernacular (Hindi) names. To ensure accuracy, cross-referencing was conducted utilizing the reputable resource "Trees of Delhi, A Field Guide" authored by Mr. Pradeep Krishen.

### **Millets Plantation**

To celebrate Year of Millets, the club members planted the following millets in the school garden: Jowar, Bajra, Chena, Kodo, Ragi and Barnyard.

### **Sustainability Accelerator for Students - Accelerating a sustainability mindset in youth and advancing skills for green jobs**

CBSE in collaboration with IBM has launched 'Sustainability Accelerator' for students with the aim of accelerating a sustainability mindset in youth and advancing skills for green jobs. Armaan Ahluwalia, Rudraxi Singh, Vanya Nanda, and Zaina Lohia of Grade XI participated in the program.

The program designed to provide hands-on experience to high school students. **Vanya Nanda qualified for the fourth (final) round based on her business idea.**

### **Online Certificate Course on Environment Awareness conducted by Hindu College, New Delhi**

Ms. Aseema R Gokhale, PGT (Biotechnology) successfully completed an online certificate course on Environment Awareness, conducted from July 1 to August 7, 2023 by Hindu College which comprised of 12 lectures on the weekends.

### **Tree Plantation and Nature Walk at Tuglakabad Biodiversity Park**

Members of the Club also visited the Tuglakabad Biodiversity Park on August 3, 2023 where they planted 30 native trees and enjoyed a nature walk. Mr. Verhaen Khanna and Mr. Vivek, Environmentalists, introduced the students to native trees and briefed them about conservation work being carried. They also interacted with the students about various environmental concerns and ways to reduce threats to the environment.

### **Nest Making Workshop**

With the objective to impart awareness about the significance of providing safe habitats for birds in the phase of challenges posed by urbanization and habitat loss, an engaging nest making workshop was organized on September 28, 2023. Members of the Club built nests using specially designed kits to better understand the effort and patience invested by birds in the process.

## **Interact Club**

**Teacher Incharge: Ms. Priya Garg**

### **Daan Utsav Book Donation Drive**

A collaboration with Pratham NGO with an aim to open 500 Mohalla libraries as a celebration of "Daan Utsav" was made. As part of the initiative, book collection drives were conducted and the same along with monetary contribution were donated to Pratham NGO.

### **Cheetah Re-Introduction Awareness Campaign**

An interactive session on Project Cheetah and the Reintroduction of large mammals in India was organized on November 4, 2022. Two esteemed wildlife conservationists, Dr. Dipankar Ghose, Director, Wildlife and Habitats Program at WWF India and Mr. Bhaskar Lall, Alumnus, presently

working towards environmental conservation as the Director, Corporate Partnerships at the World Wildlife Fund India, shared their expertise on Project Cheetah.

Dr. Ghose also led an extremely engaging quiz and interactive workshop on cheetahs, and major wildcats like tigers and lions!

### **Toy Donation Drive**

The Interact Club led a toy donation drive in school partnering with the Toy Bank India, under the campaign “Unboxing Smiles”. It was an initiative for the benefit of the anganwadi school children, and was a massive success, with over five cartons of toys and games collected.

#### Ramanujan Society of Born Mathematicians: RSBM Examination

**Teacher Incharge: Ms. Anjana Arora, Ms. Aakshi Chopra and Ms. Anvita Mishra**

The Ramanujan Society of Born Mathematicians (RSBM) conducts the Inter School Mathematics Talent examination every year. The aim of the Society is to popularize the subject of Mathematics among school children apart from honouring the meritorious students of Mathematics. As such, students from each participating school were awarded first three positions.

This year, the examination was conducted on February 4, 2023. Details are as follows:

Grade	V	VIII	X	XI
Number of participating schools	25	6	2	2
Number of participating students	70	62	21	16

### Road Safety Club

**Teacher Incharge: Ms. Praveen Dogar**

Road Safety Club was constituted in Modern School Vasant Vihar to promote road safety awareness, increase physical safety and security, improve active travel modes like walking and cycling, encourage safe driving behaviour, encourage student voices, involve students in activities to foster leadership.

Activities like screening of video on traffic rules, poster making, etc. were conducted during the year. A live demonstration on road safety was done by the Road Safety Warriors of Grades IV and V in the school auditorium before children of Grades KG to V.

### Duke of Edinburgh

**Teacher Incharge: Ms. Kiran Banwait**

The Duke of Edinburgh awards felicitates young achievers involved in conducting multifarious voluntary activities and workshops. These are awarded for excellence in events related to community service and environmental conservation. Participants are expected to follow its requirements in a non-competitive manner with a determination to succeed either individually or as

part of a team. Rudraxi Singh, Grade XI, completed the Bronze level and has enrolled for the Silver level.

In order to further acquaint the teacher in charge about the award program and expectations for successful completion of the same, a series of six training workshops were facilitated. These were: Award Induction; Award Delivery; Adventurous Journey Pre Learning; NAO Award Coordinator & Account Management Training, Online Record Book (ORB) for Award Leaders and participants.

## **Heritage Club**

**Teacher Incharge: Ms. Sunita Malik**

The Heritage club is constituted to present an effective opportunity for our students to explore, understand and appreciate the rich culture of the country. Several activities and visits are planned to facilitate expected experiential learning outcomes.

To acquaint the faculty representative with the expectations from the exercise, a Teacher Training Workshops on Heritage and Itihaas Summits were organised throughout the year. Noteworthy among these was the very informative Itihaas Summit on Mission Possible that highlighted the importance of sustainability, waste management as also provided valuable inputs for school like creation of a food garden and upgradation of canteens.

Further to this, our students were given the following opportunities:

Visit to the excavation sites at Purana Quila with the support of ASI.

Shreya Arora, Grade VIII and Smayan Arora, Grade VIII participated in the Intach Heritage Quiz.

## **Spic Macay**

On March 17, 2023, a captivating and enriching Pottery Masterclass was organized for students of Grades IV and V under the auspices of Spic Macay. The event was conducted in the school premises and featured the esteemed presence of Ms. Ram Rati, a highly skilled potter and recipient of both State (1992) and National Awards (2015) for her exceptional talent.

A meeting on Virasat Planning was organized by Spic Macay on July 17, 2023 at Modern School, Barakhamba Road to discuss matters related to Virasat 2023 – 24, NEP and G20. Ms. Geetanjali Devasar attended the meeting as a teacher incharge.

Dr. Mahesh Verma, Vice Chancellor, Guru Gobind Singh Indraprastha University preceded the meeting as the Chief Guest.

## **National Cadet Corps**

The school takes immense pride in the successful implementation of the NCC on campus. Through this endeavour students are given training in various and rigorous lifeskill and physical activities. The NCC is led by Ms. Praveen Dogar and Mr. Somender Tokas.

Over the year, faculty leaders and cadets participated and won laurels in various camps and NCC unit initiated activities. Details at a glance:

Ms. Praveen Dogar, PGT (Physical Education) and ANO, National Cadet Corps attended a refresher course at the Officers Training Academy, Gwalior from October 2 to 22, 2022. During the training, participants were trained and exposed to physical training, yoga, drill, first aid, map reading, firing,

communication skills and disaster management and were assessed for performance every week. Ms. Dogar was awarded certificate of excellence for a presentation on 'Planning and Organizing NCC Camps' and winning Table Tennis competition.

Nineteen cadets (boys) attended a combined annual Training Camp from November 12 to 19, 2022. The camp was organised by 4DGBn, NCC Unit, Safdarjung Enclave, New Delhi. Apart from training, our cadets also participated in various activities and performed exceptionally well in Basketball, Football, Group Dance, Skit and NCC drills. For the same they earned laurels, verbal commendations and certificates.

**Thirty one students of second year successfully appeared for the Certificate 'A' Examination (both theory and practical) on January 19, 2023(Girls) and February 13, 2023 (Boys).**

Cadets (girls) attended a Combined Annual Training Camp organised by 4DGBn from June 25 to July 4, 2023. During the camp, cadets attended workshops on firefighting, first aid, map reading, disaster management, self-defence and 25 meter range firing. Participants performed exceptionally well securing the first position in Throwball, Extempore Speech, Group Dance and Drill activities. Out of nearly 1000 students in NCC 'C' group, Anushka Das and Lavanya Bisht demonstrated exceptional firing skills, earning selection to the prestigious Pre Thal Sainik Camp held at NCC Unit, Rohini from July 14 to 24, 2023.

In addition to the above, cadets (boys) attended a combined annual Training Camp from October 3 to 12, 2023.

## Sports

Students of Modern School, Vasant Vihar have been consistently bringing laurels under the able guidance and coaching of well qualified and expert coaches with wide ranging achievements to their credit.

The trajectory of journey from beginner to champion is marked by many memorable moments, tough competition, rigorous training and a never-say-die attitude. No wonder, all sportspersons from the school have consistently exhibited tremendous resilience, discipline, and excellence throughout the season, earning the respect and admiration of all stakeholders.

### Laurels and Feathers in Other Sports

Modern School, Vasant Vihar, acknowledges the profound impact of sports on the holistic growth of children, encompassing their mental, physical, and social dimensions. The school's approach to sports is rooted in a steadfast intention to furnish a fertile ground where our students can refine essential qualities such as determination, teamwork, and self-assurance, while also nurturing the seeds of leadership within them. In line with this commitment, students participated in the following tournaments and championships:

- **Hrihaan Agarwal** (Grade II) participated in the 9th Delhi State Cubing Championship held on August 24, 2023. He won a Silver medal for combination (best time for solving 2x2, 3x3 and pyraminx cubes) and third price in solving Pyraminx cube in 4-7 age category in 18 seconds.
- **Sharanya Garg** (Grade IV) won Bronze Medal in Kata in International Karate Championship, 2023 held on August 4, 2023 at Talkatora Indoor Stadium.
- **Arunim Agarwal** (Grade IV) won a silver medal in the Delhi State Table Tennis Ranking tournament 2023 held in May/June 2023. He also won two gold and one silver medals in North East District Table Tennis Championship 2022.
- **Sharanya Garg** (Grade IV) showcased her talent and determination by winning the Gold medal in Okinawa Karate championship in Kumite (fight) category and Bronze medal in Katha category. In April 2023, she won the silver medal in Kumite category in Delhi State Karate championship and participated in the National Karate Championship held on April 15 & 16, 2023.
- **Amay Agarwal** (Grade IV) won silver medal in Kata in International Karate Championship 2023 held on August 4, 2023.
- **Damya Noor Agarwal** (Grade VII), won a silver medal in the first Okinawa Cup Invitational Karate Championship 2023 held on April 22 & 23, 2023

## **Modern School Vasant Vihar Alumni Association**

Modern School, Vasant Vihar Alumni Association (MSVVAA) is a worthy partner and has extended continued support to the school in all endeavours in its purview.

### **Annual Dinner: December 24, 2022**

Modern School, Vasant Vihar Alumni Association (MSVVAA) organized its annual dinner, after a three year hiatus, on December 24, 2022 on the school lawns under the able leadership of the President, Ms. Anju Gupta and her team.

The event received a phenomenal response from sponsors as well as the Alumni from across 40 batches, with the overall numbers hitting a record of 800+ attendees.

The evening was organized to celebrate the achievements of our alumni and to acknowledge their contribution they have made to society over the years. The highlight was the acknowledgement of the 25<sup>th</sup> anniversary of Class of 1998 by the Principal, Ms. Meenakshi Sahni. In her address, she welcomed the alumni to the school campus and thanked them for their achievements and contribution to the society.

## **Modern School Vasant Vihar Parent Teacher Association**

The school has established a highly effective and well-structured system for planning, interaction, and mutual feedback, with the Parent-Teacher Association (PTA) at its forefront. The PTA plays a vital role, actively participating in and supporting all school activities and initiatives.

This Report has been curated in great detail and with utmost attention. Inadvertent error, if any, is regretted.
